Terry Wallace advised he was pepper sprayed Friday night by Ron Martin, Tatum PD, who was working off duty security at Graham's. Wallace advised that he assaulted no one and was sprayed for no reason. Longview PD responded to scene, and Wallace was not arrested or charged with any crime. Wallace advised that his right eye was swollen shut and that he went to the eye doctor this morning, and the doctor told him that he has some cuts on his eye caused by the pepper spray being sprayed in to close of a proximity to his eye, and that he may have permanent damage.

Soon after, Ms. Baird stated as she was going to the dance floor she was approached by Mrs. Wheeler, who grabbed Ms. Baird's hair from behind and turned her around and hit her once on the left side of her upper forehead and once on the upper right hand side. Ms. Baird stated that she did not strike Ms. Wheeler back and the fight soon ended. There was a visible lump/knot on the upper left side of Ms. Baird's forehead.

Due to this altercation, all parties were ejected from the club. Ms. Baird stated (and was able to show this Assistant) she received a text message from Mrs. Wheeler, stating that she (Ms. Baird) still had an ass whipping coming!

Ms. Baird stated that a friend (an officer from Tatum PD) escorted her to her vehicle and told her that if she was followed to notify this department for help. Ms. Baird stated that after she left Graham's that Mr. and Mrs. Wheeler (with Mr. Wheeler driving) attempted to run her (Ms. Baird) off the road. Ms. Baird contacted dispatch at this time and drove to this location to file a report.

The driver, Mr. Wheeler was driving a 2002. gold Cadillac with license plate [REDACTED] to which dispatch could not locate a VIN# at this time.

This assistant notified Sgt. Clark for assistance with taking a photo of Ms. Baird's injuries which were done and e-mail to the correct department file. Ms. Baird was provided her case number and advised if/when she changed her contact number to notify this department at once. Ms. Baird was also instructed to notify her police agency of this problem if she felt that Mr. and Mrs. Wheeler were going to cause her any further problems.

Narrative

I, Thomas Ryle, spoke by phone from this office (1122) with MAEGAN BAIRD at 1937 on 04/28/11.

BAIRD is the victim in the original report. She called to report that the suspect, MONICA WHEELER, has called and texted her several times today, threatening to come to BAIRD's residence in Harrison County and assault her and her children. I advised BAIRD to contact HCSO about the threats, and that I would include this information in a supplement to her report.

Nothing further at this time.

Narrative

On Thursday, May 19, 2011, I, Officer Hechler and Officer Hardee were dispatched to Grahams Central Station (1016 McCann Rd) in reference to an assault already occurred.

Upon arrival, I spoke with manager, Eric Arroyo (W/M [REDACTED]), who stated that the suspect, Garrett Robinson (W/M [REDACTED]) was standing on a speaker box and was asked to get down by the staff. Garrett refused to get off the speaker box so he was removed by security. Eric advised that Garrett got angry and punched him in the back of the leg. Garrett was then placed in handcuffs and escorted outside. Eric stated that he did not wish to press charges on Garrett for the assault, he just wanted him removed from the property and criminally trespassed.

Narrative

I then made contact with Garrett where I could smell the odor of an alcohol beverage on his breath and person, had noticeably red eyes bloodshot eyes, and was very unsteady on his feet. I asked Garrett if he had been drinking tonight and he advised me that three girls in the bar each bought him a double shot of whiskey. I then asked Garrett how old he was and he stated that he was 19.

Garrett was taken into custody and booked into GCSO for Minor Consuming Alcohol.

Garrett was advised that he was being Criminally Trespassed from Grahams Central Station.

Report Narrative **On 01-21-2003, the Longview District Office of the Texas Alcoholic Beverage Commission received a complaint on Graham Central Station. This complaint was received by Sgt. Allan Cameron and was issued to me, Agent Jeffery P. Peel. I started working the complaint soon after receiving it.**

Graham Central Station is located at 1016 McCann Rd. Longview, Gregg County Texas. It operates under the authority of a Private Club Registration Permit # N 461939, which was issued by the Texas Alcoholic Beverage Commission on 11-17-2002 to Longview Te4x N.P. Inc.

I then contacted Longview Police Department and found out which detective was handling the criminal portion of this case. It turned out to be Det. Jim Nelson. Det. Nelson then faxed me offense reports and statements of events from other involved persons at the scene that night. Once I received reports from Longview P.D., I was able to determine some of the events that took place on the night of 01-18-2003. I then started contacting the involved parties that had not been spoken to.

On 01-29-2003, I spoke to and met with Robert W. Hughes (victim) and his wife Lori Hughes (witness) at their home located at 1207 Jaycee Dr. Longview, Gregg County Texas. When I spoke to the Hughes', they gave me different stories than the ones that were given to officers the night of the incident. The Hughes' accounts of the incident started inside the club when Mr. Hughes claims he was involved in an altercation with a person named Danny Doyle. Mr. Doyle apparently tried to break Mr. Hughes finger inside the club. Mr. Hughes claims that he was asked to leave at this point. Once in the parking lot, Hughes stated that he again saw Doyle and confronted him about what had occurred inside. He also said that Doyle had several of his friends around and he felt threatened so grabbed a tire tool to defend him self. He told me that he was asked to leave from inside and Doyle was not. Once the altercation outside ended, Hughes stated that Doyle went back into the club and he was apprehended by the security for the club and beaten in the head while he was handcuffed. Mrs. Hughes stated that she came out of the club when she heard that her husband had been kicked out. She claimed that when she went outside she saw her husband, Doyle, and four or five of Doyle's friends in the parking lot. She says that next Officer Ron Martin "came at" Hughes and Doyle ran

back into the club. She claims that Mr. Hughes had a tire tool and dropped it when told to do so, before Officer Martin and numerous other club employees got on top of her husband and beat him so bad that she could not recognize him.

Statements from Longview P.D. officers reflected that on both occasions on the night of the incident, the stories changed as to what exactly had happened. They could find no impartial witnesses to give their accounts of what had happened. Det. Nelson and I were both unsuccessful in finding any more witnesses. Officer Robert Neibert, Officer Gaunt, and Sgt. Darin Lair of Longview P.D. were the officers who were present at the scene of the incident. I have added those reports as attachments to this case.

Jeremy Sanger also claimed to have witnessed the incident that occurred outside the location in the parking lot. He claims that he and officer Martin observed one subject (Hughes) hitting another subject with a pipe (Doyle). He stated that while the other subject tried to flee, Hughes was approaching Officer Martin still holding the pipe. Sanger then said that Martin continually told Hughes to drop the pipe and he finally did. Sanger then stated that Hughes attempted to grab Officer Martin and Martin pushed him away with his free hand since he had his weapon drawn with the other hand. He said that this is when Hughes tried to strike the officer. He stated that this is when Officer Martin struck Hughes in the head area with his weapon. Sanger said in his statement that Hughes was still resisting and being combative and Sanger assisted Martin in restraining Hughes. This is when others from the club came to help subdue Hughes. Mrs. Hughes was apparently involved at this time.

Officer Martin also filed a report with his agency in which I have made an attachment to this case. Officer Martin claimed to have been asked to remove a subject from the club at 12:40 am. This subject was Robert Hughes. Martin claims that Hughes was very intoxicated and belligerent, threatening to urinate at the front entrance to the club. At this point Martin claims to have told one of the cashiers to call Longview P.D. He said that at this time a female came out that Hughes knew, and they walked off into the vehicles in the parking lot. An hour later, Martin and Sanger walked out onto the front porch area of the club and Martin says he heard a disturbance to his right. He claims he observed a white male (Hughes) hitting another subject with a pipe. Martin stated that he then took off running towards the situation. He claims that Hughes came at him with the pipe in a striking position. Martin claimed that he then pulled his weapon out and pointed it at the ground about 3 feet in front of him. Shortly after this, Hughes put the pipe down and the altercation took place where Hughes had several severe injuries that required medical attention. Martin claims that it was a defensive strike with his weapon to Hughes head that caused the injury to the left side of his head. Martin also claims that all of Hughes injuries are do to having to take Mr. Hughes to the ground more than once. Longview P.D. was called out and EMS was also called out. Hughes had to go to the hospital where he received many stitches and other medical services for his injuries.

Through my investigation, I have noticed that all accounts of the night of 01-17-2003 / 01-18-2003 are different depending on which party I spoke to. A couple of the things made in statements seemed to be universal throughout. It seems that an altercation did take place inside the club between Hughes and Doyle where Doyle tried to break Hughes finger. The club did try to make Hughes leave the premises. However, I cannot find any supporting evidence that shows that any action was taken with Doyle. Several witness statements state that Doyle actually ran back into the club after the second altercation in the parking lot at 01:40 am. As for Hughes, he was asked to leave the club at 12:40 am and was still present in the parking lot at 01:40 am when he allegedly performed an aggravated assault on Doyle with a tire tool. This clearly shows that neither of the parties involved in the altercation at 12:40 am inside the club were handled properly and in compliance with the Texas Alcoholic Beverage Code. If both parties involved were asked to leave and actually made to leave the premises of Graham Central Station, this aggravated assault may have still occurred, but not on the premises of Graham Central Station.

Danny Doyle was the second party involved in the breach. We were not able to locate Mr. Doyle for a statement.

===== NARRATIVE =====

AT AROUND 0200 HOURS ON JANUARY 19, 2003 I WAS CALLED TO GRAHAM CENTRAL STATION BY OFFICER NEIBERT IN REFERENCE TO AN ASSAULT HE WAS WORKING. ON MY ARRIVAL NEIBERT TOLD ME THAT AN OFF-DUTY TATUM POLICE OFFICER HAD ATTEMPTED TO ARREST A MAN FOR HITTING ANOTHER SUBJECT WITH A PIPE.

WHEN HE ATTEMPTED TO ARREST THE MAN, ROBERT HUGHES, THE SUBJECT CAME AT THE OFFICER WITH THE PIPE AND THE OFFICER STRUCK THE SUBJECT IN THE HEAD WITH HIS PISTOL. HE FURTHER ADVISED THAT THE SUBJECT WAS BEING TREATED BY LONGVIEW EMS FOR INJURIES TO HIS HEAD.

WHILE TALKING WITH NEIBERT WE WERE APPROACHED BY THE TATUM OFFICER, RON MARTIN. I BEGAN TO QUESTION HIM ABOUT THE ARREST. HE TOLD ME AT THAT TIME THAT HE OBSERVED A MAN IN THE PARKING LOT HITTING ANOTHER MAN WITH A PIPE. HE SAID HE DREW HIS PISTOL AND IDENTIFIED HIMSELF AS A POLICE OFFICER. HE THEN SAID THE SUBJECT DROPPED THE PIPE. HE TOLD ME HE THEN STARTED TO TELL THE SUBJECT TO PUT HIS HANDS ON THE WALL IN ORDER TO PLACE HIM INTO CUSTODY. HE SAID HE STILL HAD HIS GUN OUT POINT DOWN IN WHAT I WOULD DESCRIBE AS THE "LOW READY". HE SAID AS HE WAS APPROACHING THE SUSPECT, THE SUSPECT TURNED AROUND AND ATTEMPTED TO STRIKE HIM IN THE FACE. HE TOLD ME THAT HE DEFLECTED THE BLOW WITH HIS HAND, AND THEN INSTINCTIVELY STRUCK THE SUBJECT IN THE FACE WITH HIS RIGHT HAND NOT REALIZING HE STILL HAD HIS GUN IN THAT HAND.

I CONTINUED TO INVESTIGATE SPEAKING WITH OFFICERS NEIBERT AND GAUNT ABOUT THE INCIDENT. THEY INFORMED ME AGAIN THAT THE ORIGINAL STORY WAS THAT THE SUBJECT HAD CHARGED THE OFFICER WITH THE PIPE IN HIS HAND, AND THAT THE STORY HAD CHANGED. I SPOKE TO MR. MARTIN AGAIN AND HE AGAIN TOLD ME HIS GUN WAS POINTED LOW. I THEN CONTACTED THE WIFE OF MR. HUGHES ABOUT THE INCIDENT. SHE WAS UNABLE TO PROVIDE MANY DETAILS ABOUT THE INCIDENT, BUT DID STATE THAT SHE BELIEVED HER HUSBAND HAD BEEN HIT TWICE WITH THE PISTOL.

I THEN REMOVED MYSELF FROM THE LOCATION AND CONTACTED THE DUTY CHIEF.

DEPUTY CHIEF BURTON. AFTER CONFERRING WE AGREED WE WOULD FILE TWO SEPARATE OFFENSE REPORTS AND TAKE NO ONE INTO CUSTODY AT THAT TIME. I THEN RETURNED TO THE SCENE TO INFORM OFFICER NEIBERT ABOUT OUR COURSE OF ACTION. AFTER NEIBERT AND MR. HUGHES LEFT THE SCENE, I WAS IN THE PARKING LOT TALKING WITH SGT A. CAMERON OF TABC WHEN I WAS AGAIN APPROACHED BY MR. MARTIN. HE SAID HE WANTED TO APOLOGIZE FOR ANY TROUBLE THAT HE HAD CAUSED AND AGAIN BEGAN TO RECOUNT HIS STORY. AT THIS TIME MR. MARTIN STATED THAT HE WAS ATTEMPTING TO HOLSTER HIS WEAPON WHEN THE SUBJECT TRIED TO HIT HIM, AND HE COULD NOT GET THE GUN IN HIS HOLSTER. THAT WAS THE REASON THE GUN WAS STILL IN HIS HAND WHEN HE STRUCK MR. HUGHES. AT THAT TIME I ASKED MR. MARTIN FOR A NUMBER FOR HIS CHIEF OF POLICE IN ORDER TO GIVE A COURTESY PHONE CALL. HE WOULD ONLY PROVIDE ME WITH A CELL PHONE NUMBER. I WAS UNABLE TO CONTACT HIS CHIEF AT THAT NUMBER.

ON THE EVENING OF JANUARY 19, 2003 WHEN I ARRIVED AT WORK I WAS TOLD THE TATUM POLICE CHIEF, DON HALL, WAS WORKING SECURITY AT GRAHAM AND WANTED TO SPEAK TO ME ABOUT THE PREVIOUS NIGHT'S INCIDENT. I RESPONDED AND MET WITH CHIEF HALL. HE ASKED ME WHAT HAD OCCURRED AND I RECOUNTED THE EVENTS AS I KNEW THEM. HE STATED HE HAD ALREADY SPOKEN WITH HIS OFFICER AND HAD NO PROBLEM WITH HIS OFFICER'S ACTIONS. HE TOLD ME THAT HIS OFFICER HAD SOME REDNESS ON HIS FACE FROM THE ASSAULT, BUT NONE WAS OBSERVED THE NIGHT OF THE INCIDENT. HE ALSO SAID THE CUT ON MR. HUGHES' MOUTH WAS FROM THE ALTERCATION PRIOR TO OFFICER MARTIN'S INVOLVEMENT, BUT THAT HAD ALSO NEVER BEEN MENTIONED. HE WENT ON TO EXPRESS CONCERN THAT WE HAD NOT TAKEN A WRITTEN STATEMENT FROM JEREMY SANGER WHO IS THE ASSISTANT MANAGER OF THE CLUB. HE TOLD ME MR. SANGER HAD WRITTEN A REPORT OF THE INCIDENT FOR TABC PURPOSES AND REQUESTED I ATTACH IT TO THE OFFENSE REPORT. I TOOK A COPY OF THAT STATEMENT AND IT IS ATTACHED. CHIEF HALL TOLD ME TWO DIFFERENT TIMES THAT HE HAD MADE SURE MR. SANGER AND OFFICER MARTIN HAD NOT CONFERRED TO MATCH THEIR STORIES, EVEN THOUGH I NEVER ASKED THAT QUESTION. HE THEN SAID HE WOULD PERSONALLY GO TO THE DISTRICT ATTORNEY'S OFFICE TUESDAY TO OBTAIN A WARRANT ON MR. HUGHES FOR ASSAULT ON A PUBLIC SERVANT. I THEN LEFT THE LOCATION.

IT SHOULD BE NOTED THAT MR. SANGER'S REPORT LISTS FACTS NEVER GIVEN TO US AT THE SCENE SUCH AS MR. HUGHES'S CONTINUED RESISTANCE AND MRS. HUGHES INVOLVEMENT AT THE SCENE.

Statement of incident 1-18-03 By: Jeremy Sanger

On 01-18-03 at or about 1:43am I observed an assault on a peace officer. While providing security for the club off duty Tatum Police officer Ron Martin was assaulted attempting to control an offence that we observed while standing on the establishments' outside front entry area looking over the parking lot. Two men in were in a confrontation; one of the suspects was hitting the other with a round object that appeared to be some type of metal pipe about 2-3ft in length, as the other male was trying to flee. As officer Martin and I approached the situation, officer Martin was yelling verbal commands at the male suspect that had position of the weapon. I was about 10ft behind officer Martin as he drew his weapon at a defensive position holding his weapon down at the ground he continued to verbally command the suspect to lay the metal object on the ground. At that point I moved back another 8-10ft and was attempting to observe where the other suspect had fled. Officer Martin yelled 3-5 times as the suspect was coming towards him to "put the weapon down". As the suspect finally dropped the metal object Officer Martin was attempting to put his weapon back into his duty holster, that is when I noticed the suspect approaching Officer Martin and at that time Officer Martin commanded the suspect to get "back and get on the ground". At that point the suspect grabbed officer Martin. Officer Martin attempted to get separation by pushing him away with his free hand stating in words to the effect of "let go, don't put your hands on me". I then observed the suspect strike at the officer with his fist. I saw officer Martin bring his arms up trying to block the hit at that time officers Martins' weapon not being secured was still in his hand

and in the reflexive action the suspect was struck in the head area. As officer Martin was now able to secure his weapon, he was attempting to detain the suspect who was still being aggressive and combative. At that point I was approaching the situation in attempt to help detain the suspect as I thought officer Martin was struck by the suspect and needed assistance. I noticed a female who appeared to be with the suspect yelling at the officer and she ran and picked up the metal object and was approaching the area where officer Martin was detaining the suspect. Not knowing her intentions I stopped her and took the object from her. She was combative in giving the object to me but I grabbed it and told her she would be in trouble if she did not give me the weapon. At that time Mike Alphin (Doorman) assisted in keeping the female back away from the situation. I then helped officer Martin detain the suspect as the suspect continued to resist the officer. Officer Martin and I finally detained the suspect on the ground but he still continued to resist. As the suspect was taken to the ground his head hit the concrete of the parking lot causing lacerations in the head area. As he continued to resist I tried to verbally calm him telling him to be still and quit resisting. Officer Smith (Tatum P.D.) then came on scene to assist. We then finally got the suspect into handcuffs and securely detained. Longview Police Department was called and they arrived on scene at or about 1:58 am. They took statements from Officer Martin and the suspect and also from the female in question but did not take statements from any other party involved including myself. I asked Longview officers if they needed a statement and they said they did not. Longview officer Niebert asked if any other officer got my information and I told him they did not, he took my name, date of birth, and social security number. At that time Longview officers were in discussion. I was not able to get the name of the suspect and Longview Police released him after the paramedics looked over his lacerations. The suspect along with his female companion drove off property. We are still in the process of obtaining the suspect's information from Longview Police. -----end of report-----

NARRATIVE:

ON OR ABOUT 1-18-03; I, OFFICER SMITH, WHILE PROVIDING SECURITY AS A PEACE OFFICER AT GRAHAM CENTRAL STATION WEARING THE APPROPRIATE ATTIRE TO IDENTIFY MYSELF AS A PEACE OFFICER. AT A TIME BEFORE MIDNIGHT, ONE OF THE MANAGERS (MATT) HAD SERGEANT MARTIN AND I ESCORT A GENTLEMAN OUT OF THE CLUB DUE TO HIM BEING DISORDERLY WITH ONE OF THE OTHER GUESTS. THE GENTLEMAN WAS RELUCTANT TO LEAVE AND WAS VERY COMBATIVE. ONCE OUTSIDE, THE GENTLEMAN GOT BELLIGERENT WITH SGT MARTIN AND STILL REFUSING TO LEAVE, THREATENED TO URINATE OUTSIDE IN THE PARKING LOT. SGT. MARTIN ADVISED THE GENTLEMAN NOT TO DO THAT. THE GENTLEMAN THEN TOLD SGT. MARTIN THAT IF HE DIDN'T LIKE IT, HE WOULD KICK HIS ASS. THE GENTLEMAN STILL THREATENING TO URINATE IN THE PARKING LOT, COMMENCED TO UNDOING HIS BELT AND UNBUTTONING HIS PANTS. SGT. MARTIN THEN ADVISED THE GENTLEMAN THAT IF HE DID NOT STOP, LONGVIEW POLICE DEPARTMENT WOULD BE CALLED. THE MAN THEN CURSED SGT. MARTIN AND TOLD HIM THAT HE WOULDN'T DO A DAMN THING AND SGT. MARTIN NEEDED TO GO BACK INSIDE AND DO HIS FUCKING JOB. SGT. MARTIN THEN TOLD THE GENTLEMAN HIS JOB WAS TO MAKE SURE HE LEFT AND LEFT SAFELY. SGT. MARTIN THEN ENTERED INSIDE AND HAD SOMEONE CALL THE LONGVIEW POLICE DEPARTMENT. THE MANS WIFE CAME OUTSIDE AT THAT TIME AND THE MAN LEFT WITH HIS WIFE. SGT. MARTIN THEN STEPPED OUTSIDE AND NOTICED THAT THE COUPLE WAS LEAVING. HE THEN WENT BACK INSIDE AND CANCELED THE CALL TO LONGVIEW P.D.

AT ABOUT 01:30 AM, I, OFFICER SMITH WAS JUST INSIDE THE FRONT DOOR OBSERVING THE GUESTS AS THEY LEFT. I THEN HEARD MY NAME OVER THE HANDHELD RADIO THAT I WAS CARRYING. IT SOUNDED LIKE SGT. MARTIN. I HAD REMEMBERED THAT SGT. MARTIN AND ONE OF THE MANAGERS (JEREMY) HAD GONE OUTSIDE TO VIEW THE PARKING LOT AS THE GUESTS LEFT. I THEN WENT OUTSIDE INTO THE FRONT PARKING LOT TO FIND SGT. MARTIN. AS I WENT INTO THE FRONT PARKING LOT, I REALIZED THAT TO MY RIGHT; SGT. MARTIN AND JEREMY HAD A MAN ON THE GROUND AND WAS TRYING TO GET HIS HANDS BEHIND HIS BACK. THE MAN WAS NOT OBEYING ANY COMMANDS GIVEN HIM BY SGT. MARTIN. I THEN RAN AS QUICKLY AS I COULD TO ASSIST SGT. MARTIN AND JEREMY IN GETTING THE MAN IN CUSTODY. I THEN USED MY HANDCUFFS TO TEMPORARILY RESTRAIN THE MAN TO KEEP HIM FROM DOING ANY HARM TO ANYONE ELSE AND TO HIMSELF. AT THAT TIME I RECOGNIZED THE MAN AS BEING THE SAME MAN SGT. MARTIN AND I HAD ESCORTED OUT EARLIER IN THE NIGHT. END REPORT

CT OF THE HEAD WITHOUT CONTRAST:

Multiple computer tomograms of the head are obtained revealing no shift of midline structure or other sign of mass effect. There is a tiny right temporal parietal subdural hemorrhage. A minimal amount of subarachnoid hemorrhage is noted in the Sylvian fissure. No intraparenchymal hemorrhage is seen. Sellar region is normal. Infraorbital structures are negative. Evaluation of the bony structures reveals no obvious fracture.

IMPRESSION:

1. THERE IS A TINY RIGHT SUBDURAL HEMORRHAGE WITH NO SIGN OF MASS EFFECT. MINIMAL SUBARACHNOID HEMORRHAGE IS ALSO NOTED ON THE RIGHT. EXAM IS OTHERWISE UNREMARKABLE.

PATIENT: HUGHES, ROBERT WADE
UNIT #: 080853 / 38830188
PHYSICIAN: WILLIAM H ROTZLER, MD
ROOM: 2204

DATE OF CONSULTATION: 01/20/2003

ATTENDING PHYSICIAN: Dr. Chow.

REASON FOR CONSULTATION: To evaluate left ear trauma.

PRESENT ILLNESS: This is a 32 year-old white male who was assaulted on the 18th of January with resulting head contusions but no reported loss of consciousness. He was initially evaluated in the emergency room and released but returned because of headache and decreased hearing in the left ear. Subsequent evaluation reveals subarachnoid hemorrhage and evidence of a left tympanic membrane perforation. He is admitted for supportive care at this time.

The patient notes some bleeding from the ear but no significant pain. He has had a significant decrease in his hearing in the left ear with tinnitus, but no vertigo. He has no previous history of ear disease.

He denies any change in vision or other nasal or throat symptoms. He did sustain a lower lip laceration through and through which has been repaired but he denies any nasal bleeding or facial tenderness.

PAST MEDICAL HISTORY: Denies any other underlying medical problems. No history of ear disease in the past.

ALLERGIES: NO KNOWN DRUG ALLERGIES.

PHYSICAL EXAMINATION: Reveals a middle aged white male in no acute distress. Blood pressure 143/81, pulse 79, respiratory rate 18, temperature 98.6. The right ear canal is cleared. Tympanic membrane normal, middle ear clear. Exam of the left ear canal reveals some fresh blood but no clot. Tympanic membrane is injected with middle ear fluid and blood. There appears to be a small perforation anteriorly. The majority of the tympanic membrane is still intact. I do not detect any postauricular contusion. Nasal septum is midline. Nasal bones atraumatic. No nasal discharge. There is a laceration that is repaired to the lower lip, no other evidence of any intraoral trauma. Oropharynx dry, no palpable tenderness in the neck.

IMPRESSION:

1. Left ear trauma with small perforation. With the degree of hearing loss he has, this may be secondary to the middle ear blood, may also be secondary to sensory component to his hearing loss. No evidence of any vestibular injury.

RECOMMENDATIONS: I would cover him with antibiotics due to the middle ear blood. I would use Amoxicillin 500 mg. t.i.d. I have also given Bactroban.

subdural hematoma, very small, no mass effect, no new blood noted.

EMERGENCY DEPARTMENT COURSE: He got morphine and phenergan IV for pain.

MEDICAL DECISION-MAKING: He presents with acute cephalgia, post-concussive cephalgia, with a stable subdural hematoma. I don't think there's much to add at this point. I am going to increase his pain medicine to the 10/500 dose of Norco, and will discharge him in good condition. I talked the case over the Dr. Chow, and he concurs with this. We will give him a prescription for the Norco here prior to discharge. I have told him to expect some residual headache, but there is no change in his neurologic exam, nor in the subdural hematoma itself. I would avoid aspirin, however. I stressed this to him, and continue the medications Dr. Chow has prescribed. He will be followed up by Dr. Chow as recommended.

IMPRESSION:

1. Acute stable subdural hematoma with post-concussive cephalgia

CHIEF COMPLAINT: Worse headache, pressure in his head since this morning.

HISTORY OF PRESENT ILLNESS: This gentleman first presented early in the morning on Sunday, after an alleged assault on a parking lot. He was thrown to the ground, beat about the right side of his head. He had a lip laceration and a perforated left tympanic membrane. At that time, he had no loss of consciousness, was ambulatory and nonfocal in his neurologic exam, and was treated and released. His lip laceration was repaired. He returned later that day with worsening headache, and had vomited. CT scan at that time revealed a tiny, subdural hematoma with some subarachnoid blood, but no mass effect. He was admitted, observed by Dr. Chow, put on some Dilantin and released on Vicodin and Dilantin. He says now his headache is more severe, pounding, throbbing in his headache. No fever, chills, vomiting or diarrhea, however.

PAST MEDICAL HISTORY: He has a past medical history as per above.

ALLERGIES: NO ALLERGIES.

MEDICATIONS: As per above.

SOCIAL HISTORY: He does socially drink and smokes.

REVIEW OF SYSTEMS: All systems were reviewed, and other than per the HPI, were negative prior to arrival.

HEENT: Normocephalic/atraumatic. Pupils are equal, round and reactive. Abrasion to the right frontal forehead is unchanged. His lower lip has a through-and-through laceration that was repaired, and is healing nicely. The oropharynx is otherwise clear. Pupils were reactive.

CHEST: Clear.

ABDOMEN: Soft, normal bowel sounds and nontender.

NEUROLOGIC: Alert and appropriate. Equal grip strength. Cranial nerves II-XII are grossly intact. No focal motor or sensory deficits noted.

CHIEF COMPLAINT: Laceration to his lip and head.

HISTORY OF PRESENT ILLNESS: This gentleman was involved in a disagreement at Graham Central Station. He was pushed to the ground sustaining a laceration to his lip and abrasion to his forehead. He denies fever, chills, vomiting or diarrhea. He says his left ear is hard of hearing after this event as well.

PAST MEDICAL HISTORY: Otherwise negative. NO KNOWN DRUG ALLERGIES, no medications.

SOCIAL HISTORY: He does admit to drinking a little bit tonight.

REVIEW OF SYSTEMS: Other than per the history of present illness, all systems are reviewed and otherwise negative prior to arrival.

PHYSICAL EXAMINATION: Afebrile, vitals are stable.
HEENT: Left tympanic membrane is perforated with some blood in the external canal. Right tympanic membrane is clear. Oropharynx is clear. Lower lip on the right; he has a through and through laceration 3 cm in length. Vermilion border does not appear to be involved. Buccal mucosal surface laceration is contained within the buccal mucosa, no external lip involvement noted. Dentition is normal. He also had a contusion over the right frontal forehead, just a superficial abrasion but no laceration.
Neck: Supple, no adenopathy or masses, nontender, full range of motion.
Chest: Clear.
CV: Regular rate and rhythm.
Abdomen: Soft, normal bowel sounds, nontender.
Neuro: Alert, nonfocal.

PROCEDURE NOTE: Lip repair
The lip was locally infiltrated with 1% lidocaine with epinephrine, irrigated copiously, explored, closed in an intermediate fashion with a running chromic gut suture and closure of the buccal mucosa surface laceration and a running 5-0 Prolene skin closure. The patient did tolerate this well.

MEDICAL DECISION MAKING: He presents status post blunt trauma to the head and lip with a through and through 3 cm laceration to the right lower lip. I am going to outpatient manage him on Lortab and penicillin VK. I will give him a dose of penicillin VK and Lortab prior to discharge. I am comfortable with outpatient management. He does have some scalp abrasion and contusion but no evidence of intracranial injury at this time. He is awake, coherent and ambulatory.

NARRATIVE:

ON JANUARY 18, 2003, I, OFFICER MARTIN WAS WORKING AT GRAHAM CENTRAL STATION AS A POLICE OFFICER PROVIDING SECURITY WEARING A BLACK UNIFORM CLEARLY MARKED "POLICE" ON FRONT AND BACK OF UNIFORM AND A VISIBLE BADGE INDICATING A PEACE OFFICER AT APPROXIMATELY 12:45 AN ASSISTANT MANAGER (MATT) CALLED ME INTO THE FRONT DOOR AREA. AS I STEPPED IN, MATT WAS POINTING AT A WHITE MALE LATER TO BE IDENTIFIED AS ROBERT HUGHES. MATT SAID HE NEEDS TO GO. I, OFFICER MARTIN THEN TURNED TO AND TOLD HIM THAT THE MANAGER SAID YOU NEED TO LEAVE. AT THAT TIME MR. HUGHES BECAME VERY ARGUMENTATIVE AND DID NOT WANT TO LEAVE. I, OFFICER MARTIN ASKED HIM SEVERAL TIMES TO LEAVE. AS I, OFFICER MARTIN AND OFFICER SMITH STEPPED OUTSIDE WITH THE SUBJECT, HE THEN BECAME VERY COMBATIVE AND VERBALLY THREATENING. I ASKED MR. HUGHES IF HE HAD A CAR OR IF HE WAS RIDING WITH SOMEONE, BECAUSE MR. HUGHES WAS VERY INTOXICATED TO THE POINT WHERE HIS SPEECH WAS SLURRED AND UNABLE TO KEEP HIS BALANCE. HE THEN TOLD ME IT WAS NONE OF MY BUSINESS WHETHER HE HAD A CAR OR NOT. I THEN SAID TO HIM THAT I WAS GOING TO CALL HIM A TAXI OR SOMEONE WHO HAD NOT BEEN DRINKING TO DRIVE HIM HOME BECAUSE HE WOULD HAVE TO LEAVE. HE THEN TOLD ME HE WAS NOT GOING TO LEAVE AND THAT HE WOULD NOT LEAVE UNTIL HE GOT READY. HE THEN SAID THAT IF YOU PUT YOUR HANDS ON ME, I'M GOING TO SUE YOUR ASS. I TOLD HIM SIR, I HAVE NO INTENTION OF PUTTING MY HANDS ON YOU. I ASKED HIM AGAIN IF THERE WAS SOMEONE WHO COULD GIVE HIM A RIDE HOME, HE THEN SAID FUCK YOU, WHY DON'T YOU GO BACK INSIDE AND DO YOUR LITTLE JOB AND LEAVE ME THE FUCK ALONE. I TOLD HIM SIR, MY JOB IS TO MAKE SURE YOU LEAVE AND SAFELY. HE THEN STARTED WALKING OFF THE PORCH AREA UNDOING HIS BELT AND UNBUTTONING HIS PANTS. I ASKED HIM SIR, WHAT ARE YOU DOING? HE SAID I'M GOING TO PISS, WHAT DOES IT LOOK LIKE I'M DOING. I TOLD HIM SIR, DO NOT URINATE HERE AT THE ENTRANCE OF THIS ESTABLISHMENT. HE THEN SAID I'LL PISS WHERE I WANT TO AND IF YOU DON'T LIKE IT, I'LL KICK YOUR ASS. I THEN TOLD HIM THAT I WAS GOING TO CALL LONGVIEW POLICE DEPARTMENT AND WALKED INSIDE AND TOLD THE CASHIER (CASEY) TO CALL LONGVIEW POLICE DEPARTMENT. I WALKED BACK OUTSIDE AND NOTICED A FEMALE HAD COME OUTSIDE AND SEEMED TO KNOW THE SUBJECT. THE FEMALE WAS CURSING AND SEEMED VERY COMBATIVE AT THAT TIME. BOTH SUBJECTS THEN WALKED OFF AND I STEPPED BACK INSIDE AND TO TELL CASEY WHO WAS ON THE PHONE TO TELL LONGVIEW PD THAT ALL WAS OK. I STEPPED BACK OUTSIDE AND JEREMY SANGER A MANAGER STEPPED OUTSIDE AND ASKED ME WHAT WAS GOING ON. I POINTED TO THE TWO SUBJECTS THAT WAS WALKING OFF AND AT THAT POINT ABOUT 30 YARDS AWAY IN THE PARKING

LOT. AT THAT TIME ROBERT HUGHES WAS TURNED TOWARDS US MAKING HAND GESTURES AND CURSING OUT LOUD. THE HAND GESTURES HE WAS INDICATING WAS FOR US TO COME TO HIM. THE FEMALE WAS TRYING TO GET HIM TO TURN AROUND AND LEAVE. HE THEN TURNED AROUND AND DISAPPEARED AMONG THE VEHICLES IN THE PARKING AREA. SUBJECT WAS THOUGHT BY OFFICER MARTIN, OFFICER SMITH, AND THE MANAGER TO HAVE LEFT.

AT OR ABOUT 01:40 AM, I, OFFICER MARTIN AND MANAGER, JEREMY SANGER WALKED OUT ON TO THE FRONT ENTRANCE OF THE ESTABLISHMENT AND WERE TALKING. ABOUT THAT TIME I HEARD A DISTURBANCE TO MY RIGHT. I SEEN A WHITE MALE SUBJECT LATER TO BE IDENTIFIED AS ROBERT HUGHES HITTING ANOTHER WHITE MALE SUBJECT WITH A PIPE ABOUT 2 FEET OR A LITTLE MORE IN LENGTH IN THE BACK SEVERAL TIMES. THE MAN WAS RUNNING FOR SAFETY. I, AT THAT TIME RAN FROM THE FRONT PORCH AREA ATTEMPTING TO STOP ROBERT HUGHES FROM ASSAULTING THE OTHER WHITE MALE SUBJECT. THE SUBJECT, ROBERT HUGHES, WAS STILL COMING TOWARD ME WITH THE PIPE IN A STRIKING POSITION. I THEN PULLED OUT MY DUTY WEAPON AS HE WAS STILL ADVANCING TOWARDS ME. I, OFFICER MARTIN, MADE SURE THAT MY WEAPON WAS PLACED ON SAFETY. I THEN POINTED IT TOWARDS THE GROUND ABOUT THREE FEET IN FRONT OF ME AND YELLED AT THE SUBJECT SEVERAL TIMES TO PUT THE WEAPON DOWN. HE WAS STILL APPROACHING AT THAT TIME. HE SEEMED TO GLANCE DOWN AND SEE THE WEAPON IN MY HANDS AND THREW THE PIPE DOWN. AT THAT TIME I WAS TRYING TO HOLSTER MY WEAPON AND GIVE HIM VERBAL COMMANDS TO GET BACK AND TO LAY DOWN ON THE GROUND. MY HOLSTER HAD SLIPPED AROUND TO MY BACK SIDE OUT OF IT'S NORMAL POSITION MAKING IT DIFFICULT TO HOLSTER. AT THAT POINT THE SUBJECT HIT ME IN THE CHEST WITH A STIFF ARM BELIEVED TO BE HIS LEFT ARM AND GRABBED MY SHIRT CLEARLY MARKED "POLICE" IN WHITE LETTERS AND WOULD NOT LET GO. I WAS TELLING HIM TO LET GO STILL TRYING TO FIND MY HOLSTER BECAUSE I NEEDED MY RIGHT HAND TO PRODUCE MORE POWER TO PUSH BECAUSE THE SUBJECT WAS PUSHING ME BACKWARDS AND I WAS OVERPOWERED AT THAT POINT. I THEN STARTED PUSHING AS HARD AS I COULD AGAINST HIS STIFF ARM AND TRYING TO PULL HIS LEFT HAND OFF MY CHEST AND TRYING TO KEEP MY WEAPON DOWN AT MY SIDE AND OUT OF REACH, SO THAT HE COULD NOT GET TO MY WEAPON. MY ACTIONS OF PUSHING HARD AGAINST HIS STIFF ARM STARTED DRIVING HIM BACKWARDS AND THEN HIS BACKWARDS MOMENTUM STOPPED. AT THAT TIME, ROBERT HUGHES DREW HIS ARM BACK WITH A CLOSED FIST AND JABBED IT FORWARD TOWARDS MY FACE. HIS REACTION CAUSED MY REACTION TO TRY TO BLOCK HIS PUNCH WITH MY RIGHT HAND TAKING MY LEFT HAND OFF HIS LEFT HAND PLACING IT IN FRONT OF MY FACE AND TRYING TO TURN MY HEAD SO THE PUNCH WOULD NOT HIT ME DIRECTLY IN FRONT OF MY FACE. UPON EXTENDING MY RIGHT HAND TOWARD HIM TO BLOCK THE JAB, MY DUTY WEAPON STRUCK HIM SOMEWHERE IN THE SIDE OF THE LEFT SIDE OF HIS HEAD. HE TURNED ME LOOSE AT THAT

POINT AND FELL TO HIS KNEES AT MY FEET. STILL TRYING TO GRAB MY FEET, APPARENTLY TRYING TO TRIP ME. AS I JUMPED ME BACK, IT GAVE ME TIME TO HOLSTER MY WEAPON AND I WAS YELLING AT HIM TO STAY DOWN. HE STILL STOOD UP TRYING TO COME AT ME. I GRABBED HIM BY THE BACK OF THE HEAD AND PUSHED HIM BACK DOWN TO THE GROUND CAUSING HIS HEAD TO MAKE CONTACT WITH THE CONCRETE SURFACE. AT THAT TIME JEREMY SANGER AND OFFICER RUSSELL SMITH CAME TO ASSIST BECAUSE THE SUBJECT WAS STILL RESISTING. ABOUT 1 MINUTE AFTER THERE ASSISTANCE, WE FINALLY RESTRAINED THE SUBJECT FOR HIS SAFETY AND AS WELL AS OURS. I TOLD THEM AT THAT TIME TO CALL E.M.S AND LONGVIEW POLICE DEPARTMENT. THE SUBJECT WAS LYING ON HIS STOMACH. TO PREVENT SUFFOCATION, THE SUBJECT WAS MOVED TO THE CURB AND PLACED IN AN UPRIGHT POSITION SO WE COULD ADMINISTERING FIRST AID.

THE TIME FRAME WHEN I, OFFICER MARTIN, PULLED MY DUTY WEAPON AND THE TIME HE FIRST WENT TO THE GROUND WAS APPROXIMATELY 8 SECONDS. THE TIME IT TOOK US TO RESTRAIN THE SUBJECT WAS APPROXIMATELY 1 MINUTE. LONGVIEW POLICE ARRIVED AT APPROXIMATELY 01:45. THE LONGVIEW POLICE SEEMED TO BE VERY CONFUSED ABOUT THE HANDLING OF THE SITUATION AND AT THE TIME WAS GOING TO HAVE ME TO FILL OUT A PROBABLE CAUSE, BUT THEN STOPPED ME AND WAS MENTIONED BY ONE THE OFFICERS THAT TATUM POLICE DEPARTMENT WOULD HAVE TO DO THE REPORT AND TAKE THE SUBJECT TO JAIL. AT AN UNKNOWN TIME, THE LEAD SERGEANT SHOWED UP AND IN GROUP CONVERSATION THE LEAD SERGEANT ASKED ME SEVERAL DIFFERENT QUESTIONS BUT NEVER ASKED ME TO EXPLAIN THE ENTIRE INCIDENT IN DETAIL FROM START TO FINISH. THE QUESTIONS HE ASKED WERE ANSWERED TO THE BEST OF MY KNOWLEDGE AT THE TIME. BUT, BECAUSE OF THE SHORT TIME OF THE INCIDENT AND ALL THAT HAD OCCURRED OTHER THINGS REMEMBERED WERE ADDED. THIS REPORT CONTAINS TO THE BEST OF MY KNOWLEDGE TO BE TRUE, ALL THE FACTS THAT OCCURRED ON THE NIGHT IN QUESTION. END OR REPORT.

Report Narrative **My name is Chase Glover and I am an Enforcement Agent with the Texas Alcoholic Beverage Commission, stationed in the Longview District Office, which includes Gregg County.**

On July 21, 2008 I was contacted by a man named Billy Wallace, who advised me of a breach of the peace involving his brother Terry Wallace that occurred July 19, 2008, at Graham Central Station in Longview. Wallace expressed some concern over what had occurred, and requested that we investigate the matter. Graham Central Station is located at 1016 McCann Road, Longview, Gregg County, Texas, and operates under the authority of private club license N461939, which was current and valid at the time of this incident. The Longview District Office had not received a report of a breach of the peace from the location. I initiated complaint 566676 for Fail to Report Breach of the Peace and Aggravated Breach of the Peace. I was assigned to investigate the complaint by Sgt. Jeff Taylor.

I advised Billy Wallace to have his brother contact me in reference to the incident. Terry Wallace called me and advised that he was pepper sprayed Friday night by Ron Martin, Tatum PD, who was working off duty security at the location. Wallace advised that he assaulted no one, was not intoxicated, and was sprayed for no reason. Wallace stated that he had two beers and his girlfriend had three drinks. Wallace told me that following the incident, Longview PD responded to scene, and Wallace was not arrested or charged with any crime. Wallace advised that his right eye was swollen shut and that he went to the eye doctor this morning, and the doctor told him that he has some cuts on his eye caused by the pepper spray being sprayed in to close of a proximity to his eye, and that he may have permanent damage. I requested that Wallace come to my office and give me a voluntary statement. He advised that he would be in later in the week. Also on July 21, 2008, Lt. Allan Cameron requested a copy of the surveillance video from Charles Cavitt, Loss Prevention Manager for Graham Central Station. Cavitt advised he would comply and that I would have the video that week.

On July 23, 2008, I was advised that the breach was reported to Agent Dale Shimpock on the night following the incident in question. Shimpock provided me with the breach report. As the breach of the peace was reported to Agent Shimpock in the

required amount of time, the allegation of Fail to Report Breach of the Peace is unfounded. That breach report is included with this report for reference.

Also on July 23, 2008, I had a preliminary interview via the telephone with witness Carol Scarbrough, who was at the location on the night in question with Terry Wallace.

On July 24, 2008, I interviewed the complainant Terry Wallace and girlfriend, Carol Scarbrough. The video surveillance was received on DVD from Graham Central Station, and I attempted to review video, but was unsuccessful due to software issues. I then scheduled interviews with two other witnesses for Wednesday, July 30, 2008.

On July 25, 2008, Agent David Salazar requested and obtained the police report from Longview Police Department that related to this incident. The LPD incident report is attached to this report for reference.

On July 30, 2008, I interviewed and took written statements from witnesses Janis Cagle, Greg Scarbrough, Carol Scarbrough, and complainant Terry Wallace, that all related a similar story. According to those witness statements, Carol Scarbrough had lost her car keys on the dance floor. She made a request to a manager, later identified as Raul Martinez, to assist her in finding her keys and he declined, stating he was too busy. When Scarbrough later located her keys she yelled, "Hey" and waved them at Martinez and went back to her table. Martinez followed her and they had an argument over Martinez' lack of assistance, and Martinez told Scarbrough she would have to leave. Terry Wallace became involved at this point, questioning why Scarbrough would have to leave. Martinez then told Wallace he would have to leave as well, and touched Wallace as if to escort him out. Wallace told Martinez not to touch him or he would "beat his ass" and Martinez called for security on the radio. Several employees arrived at the table, including Chief Ron Martin of Tatum PD, who was working off duty security at the location. Wallace agreed to leave but again told the subjects not to touch him. Wallace walked towards the door, and when they exited the building, Martin sprayed him with no provocation. Wallace admitted to "mouthing" at Martin and the other Graham's employees, and warning them not to touch them, but stated that he did not in any way threaten or assault Ron Martin. The four witness statements are attached to and made a part of this report for reference.

Later that day, I received the appropriate software to view the surveillance video of the incident, which shows the use of force with pepper spray by Martin. In the video, Wallace was not aggressive towards Martin, and appears to be walking away from the front porch of the location when Martin steps in front of him and pepper sprays him approximately three inches from Wallace's face. Senior Agent Tommy Rodgers reviewed the video with me and agreed that there was no action by Wallace that warranted the use of force reflected on the video. Agent Rodgers contacted Texas Ranger Griffin and we reviewed the video with him at approximately 2 PM. Griffin stated that Wallace should report the incident to Longview PD as an assault. At approximately 3:00 PM, Agent Rodgers contacted the FBI Tyler Field Office and advised them via voicemail that we were in possession of video evidence that showed an apparent use of excessive force by a police officer. I then contacted Wallace and advised him to report the incident to Longview PD and FBI as well. At approximately 4:30 PM, I was contacted by LPD Officer Liesman, who advised me that he was investigating Wallace's complaint, and that he would be in contact with me on July 31, 2008 to review what evidence I had obtained up to this point.

On July 31, 2008, I spoke with Charles Cavitt, Loss Prevention Manager for Graham Central Station's corporate owner. I requested interviews with Graham's personnel involved in the incident. Cavitt stated he would get written statements from the individuals involved, and would provide them to me by Monday, August 4, 2008. I later called Cavitt back and left message advising him the statements need to be notarized or signed in front of me. At approximately 3:00 PM, I spoke with LPD Officer Liesman, reference LPD case number 08-16503, who viewed the video and statements and requested copies of the information I had obtained.

On August 06 2008, I was contacted by LPD Detective Clark, who advised me that he would be the detective investigating the incident, and requesting a copy of the video and my case file. I advised him I would provide him with it upon completion. I

attempted to contact Charles Cavitt reference the employee statements, which I was supposed to receive by Monday August 4, 2008, and had not received yet. I then prepared a document request for Graham Central Station in reference to credit card transactions and membership records for Wallace, Greg Scarbrough, Carol Scarbrough, and Janis Cagle, as well as any internal memos or reports completed by employees in reference to this incident, with a deadline of August 14, 2008.

On August 07, 2008, I received a phone call from Billy Wallace, who advised me that he had been contacted by Charles Cavitt and Keith Lawyer, owner of Graham Central Station, who told him that he was sorry about what had occurred with his brother and that he didn't condone that kind of behavior from his employees. He also asked Wallace of he and his brother bird hunted, and invited them on a bird hunt. I requested that Wallace prepare a statement of the conversation for the case file. At 2:50 PM, I served Charles Cavitt via e-mail the document request for records pertaining to the incident, and a second request for employee statements. He responded at 2:53 PM and advised that I would be provided everything I had requested by Wednesday, August 13, 2008.

On August 14 2008, I received most of the requested records from Charles Cavitt. I reviewed the statements from employees Joe Stout, Raul Martinez, Anthony Lewis, Xavier Banda, and Jesse Calderon. I reviewed the hand written reports of Ron Martin that he had written following the incident. The statements from all employees reflect a similar version of what occurred, with a couple of marked differences. The employees state that Wallace repeatedly threatened several of them, including Martin, by saying, "If any of you touch me, I'll kick your ass." They also relate that Wallace resisted their order to leave and got "in the face" of Martin. I also reviewed Wallace's credit card receipts and membership records pertaining to the involved individuals, which reflected that all subjects were members of the private club. Wallace's credit card receipts reflected a total of \$19.50, which is consistent with what he stated that he and Scarbrough drank that night. All of those records are included with this report for reference. It should be noted that the surveillance video does not reflect Wallace getting "in the face" of anyone at the time of the use of force with the pepper spray.

On September 03, 2008, I requested the medical records from the eye doctor that the complainant saw following the incident. I then contacted LPD and FBI on a routine follow up. I also followed up with Billy Martin on the request for a statement reference his contact with Lawyer and Cavitt.

On September 04, 2008, I received and reviewed the medical records from Dr. Craig King, the Ophthalmologist that treated Terry Wallace. That record reflected that there was indeed an injury to Wallace's eye as a result of the incident, but does not reflect the severity of the injury. That record is included into this report for reference. I also conferred with LPD Detective Clark reference his related criminal case. I then staffed my investigation with Lt. Cameron, who conferred with the Gregg County DA and made the decision not to file an administrative notice to Graham Central Station pending the outcome of the criminal investigation. I made copies of the video and case file for LPD and FBI.

On September 10, 2008 I received and reviewed the statement from Billy Wallace in reference to his conversation with Keith Lawyer and Charles Cavitt about his brother's incident at their location. That statement is incorporated into this report for reference.

Throughout my investigation, from all points of view, several key factors remain consistent:

- 1: Terry Wallace became argumentative with the staff of Graham Central Station
- 2: Employees of Graham Central Station ordered Wallace to leave the premises
- 3: Wallace complied
- 4: Wallace advised the employees he would "whip their ass" if they touched him
- 5: Wallace left the premises
- 6: Once outside, Wallace was sprayed by Martin.

In Martin's internal Incident Report to Graham Central Station management, he states that Wallace "got in R/O officers face in

an aggressive manner." This is not reflected in the surveillance video. At no point in the incident report does Martin state that Wallace was intoxicated, only that Wallace had to "go to the door" and by Martin's own account, Wallace complied. Once outside, as evidenced by the video, Martin stepped in front of Wallace and then sprayed him. As Wallace was complying with Martin's verbal commands, and was not physically aggressive, Martin had no justification for his use of force.

The Texas Alcoholic Beverage Code, Title Three states:

Sec. 32.24. BREACH OF PEACE. The commission or administrator may suspend or cancel a private club registration permit after giving the holder notice and the opportunity to show compliance with the requirements of law for the retention of the permit if the commission or administrator finds that:

- (1) a breach of the peace has occurred on the premises covered by the permit or on a premises under the control of the holder; and
- (2) the breach of the peace resulted from the holder's improper supervision of a person who was allowed on the premises covered by the permit or on a premises under the holder's control.

The breach of the peace occurred on the premises of Graham Central Station, and resulted from the improper supervision of Ron Martin, who was allowed on the premise of Graham Central Station as an employee of Graham Central Station. The offense of breach of the peace is aggravated due to the fact that Martin is a peace officer, and committed the breach acting under the color of his office as a peace officer, which is an aggravated assault. End of report.

Report Narrative **My name is Jeff Pearson and I am an Enforcement Agent with the Texas Alcoholic Beverage Commission, stationed in Longview. On the evening of Wednesday, September 13, 2006, Agent David Salazar and I conducted a Cooperative On-Premise Sting at Graham Central Station. Graham Central Station operates under the authority of TABC Private Club Registration Permit #N461939 for the sale of alcoholic beverages. I worked in an undercover capacity inside the private club and Agent Salazar worked in an open capacity outside the club. I entered the club at approximately 10:00PM and began looking for violations of the Alcoholic Beverage Code. I spoke with manager Travis King and assistant manager Jamie Broad and advised them that I would be in the club looking for minors drinking. I also asked them that if the security staff located a minor drinking alcohol to locate me so I could contact Agent Salazar to come and issue a citation to the minor. At approximately 10:45PM, I observed a white male, later identified as Cody Kennedy, carrying a brown glass bottle, which appeared to be labeled Bud Light beer. Kennedy had an adult wristband and did not have large T's on his hands to indicate that he was a minor. I was positioned near the women's restroom when I observed Kennedy walk in front of me, followed by security officer Russell Smith. Officer Smith advised me as he walked by that Kennedy was a minor. I observed Kennedy throw the bottle in the trashcan and then quickly walk to the front of the club with Officer Smith. I followed them to the front but was not able to get out as quickly as they did. I exited the club out the front, side door approximately 15 to 20 seconds after they did. I observed Kennedy walking away from club manager Travis King. I asked King if Kennedy was a minor. He said that he was. I told King and Corporate Security Charles Cavitt to call Kennedy back so that Agent Salazar could issue him a citation for Minor in Possession of Alcoholic Beverage. Cavitt informed me that Kennedy was supposed to start working for the club the following week. While Agent Salazar was issuing the citation to Kennedy, Kennedy advised him that King had placed the adult wristband on him and that King had also told the front desk attendant Jessica Reeves to "comp" him in. Kennedy did not have a Texas driver's license or ID card in his possession.**

On Friday, September 15, 2006, Cavitt called me on the phone and advised me that he had proof that assistant manager Broad was responsible for placing the adult wristband on Kennedy.

Later that evening, I returned to Graham Central Station and spoke with Cavitt, who showed me the surveillance video that clearly showed that Broad was present when Jessica Reeves placed the adult wristband on his wrist. Reeves advised that Broad told her to "comp" Kennedy in and that he did not present an ID. She did not question this because Broad is a manager. Cavitt advised me that he fired Broad at 09:00PM that evening over the incident. I issued an Administrative Notice #233041 for Permitting a Minor to Consume/Possess AB- 18+.

Rules concerning the sale of alcoholic beverages to minors are posted in plain view of the employees. TABC Seller/Server records indicate that Jamie Broad's certification expired on 8-26-06. However, on September 30, 2006, Travis King provided me with a fax from US Interactive which indicates that Jamie Michael Broad completed the TABC Seller/Server training on 7-26-06

Report Narrative **My name is Dale Shimpock/568. I am an Agent with the Texas Alcoholic Beverage Commission assigned to the Longview, Gregg County, Texas District Office.**

On 8-11-2007 at approximately 10:45 pm I, Agent Shimpock was at Graham Central Station located at 1016 McCann Road in Longview, Gregg County Texas. Graham Central Station hold Private Club Registration and Private Club Hours Permit #N 461939. These permits were current and active at the time of the violation.

I, Agent Shimpock, noticed a white male later identified as, Justin Lee Echols (REDACTED), exit the door at Graham Central Station. I noticed Justin was unsteady on his feet and his coordination was unsteady. I made contact with Justin in the parking lot and identified myself as State Police Officer with the Texas Alcoholic Beverage Commission. I asked Justin how much he had to drink inside Graham's. Justin stated to me he had several drinks inside the bar. While I was talking to Justin I could smell a strong odor of alcoholic beverage on or about Justin's person. Also, I noticed Justin's eyes to be bloodshot. I asked Justin where he lived and he stated he lived in Hallsville, Texas. Later when I got Justin's Texas Driver's License it stated Justin lived in Diana, Texas that is about twenty-five miles from Hallsville. I asked Justin who he was with and he stated he was there by himself. I asked Justin could he call someone to come and pick him and he stated he might know someone in the club. I stated to Justin since he was intoxicated he could not go back inside the club. I stated to Justin he could walk to the front door and a manager would call someone to come out and meet him. I stated to Justin Graham's would call a cab if he had the money to for the cab to get him home safely. Justin starting walking to his truck and I told him to stop several times. Justin stopped for about a minute in the parking lot and clutched his fist acting like he was going to hit me. Justin did not ever swing at me and he continued walking toward his truck. While Justin was walking to his truck his coordination was very unsteady. Justin got into a 1991 Ford 150 extended cab pickup in the parking lot. One of the workers tried to grab Justin before he got into his truck and Justin got into his truck. I went to the passenger side of the truck to try to grab the keys when Justin put the keys into the ignition. Security was called to the parking lot to assist with Justin who was trying to drive off from Graham's. While Security was coming, which is Off Police Officers from Tatum Police Department, Justin kept reaching beside the driver's seat and console acting like he was going for a weapon. I told Justin to put his hands on the steering wheel so that I could see them. Later after Justin detained there was a

silver Stanley box blade and a six-inch knife with a black handle found where Justin was reaching for. Justin would not let go of the steering wheel when we told him to get out of the vehicle. Ronnie Martin, who is the Chief of Police at Tatum, was working Security at Graham's used O/C Pepper Spray to get Justin out of the truck. Justin was finally pulled from the pickup and was lying on the ground. Justin put his hands on his forehead and would not let Officers put handcuffs on him. Justin was resisting every time we tried to put his hands behind his back. We finally got Justin's hands behind his back and he was arrested. Justin was decontaminated with water to get the O/C Pepper Spray off him. Justin a couple of scrapes on his forehead and ears where he was on the pavement resisting arrest.

Justin was arrested for Public Intoxication which is a violation of Penal Code 49.02 which states: a person commits an offense if the person appears in a public place while intoxicated to the degree that the person may endanger the person or another. There was not any field sobriety test conducted due to the fact Justin was uncooperative and combative while trying to get Justin a ride home. I tried every possible way to get Justin a ride home instead of him driving himself. I asked Justin several times did he have someone to come and get him and he stated he did not. I even offered to call a cab for Justin to take him home and he refused. Since there was no one to take responsibility for Justin and he refused all options he was arrested for Public Intoxication.

Justin was arrested for Resisting arrest, search, or transportation, which is a violation of Texas Penal Code 38.03 (a), which states a person commits an offense if he intentionally prevents or obstructs a person he knows is a peace officer or a person acting in a peace officer's presence and at his discretion from effecting an arrest, search, or transportation of the actor or another by using force against the peace officer or another. Justin would not allow us to put handcuffs on him by resisting every time we tried to put handcuffs on him.

Justin was arrested for Unlawful carrying weapons which is a violation of Texas Penal Code 46.02 (a) a person commits an offense if he intentionally, knowingly, or recklessly carries on or about his person a handgun, illegal knife, or club. Justin had in his possession the six-inch long knife and box blade cutter.

Officer Falkner of Longview Police Department transported Justin to Gregg County Jail without incident.

Justin's vehicle was towed out of the parking lot of Graham Central Station due to the fact he had a lot of miscellaneous tools in his pickup. Joy Boys Wrecker Service out of Longview, Texas towed the pickup. A copy of the impound sheet was put in Justin's property at the Jail.

I issued seizure ticket number 101267 to Justin for the knives that were found in his vehicle.

Attached to and made part of this case is a copy of the probable cause for arrest and book-in sheet for Justin.

Attached to and made part of this case is pictures of the knives that were seized.

PROBABLE CAUSE FOR ARREST

Please indicate facts that indicate the suspect committed the offense(s) charged. Please include facts relevant to each offense.

My name Dale Shimpock/568, I am an Agent Shimpock with the Texas Alcoholic Beverage assigned to the Longview, Gregg County, Texas. On 8-11-2007 at approximately 10:45 pm I, Agent Shimpock, was at Graham Central Station located at 1016 McCann Road in Longview, Gregg County, Texas. I, Agent Shimpock, was outside Graham Central Station and noticed a white male later identified as Justin Lee Echols (w/m ██████████), walk out the front door of Graham Central Station. I noticed Justin was unsteady on his feet and his coordination was unsteady as well. I made contact with Justin in the parking lot and identified myself as a State Police with the Texas Alcoholic Beverage Commission. I asked Justin how much he had to drink inside Graham's. Justin stated to me he had several drinks inside the bar. Justin's speech was slurred when I was talking to him. Justin's eyes were blood shot and he had a strong odor of alcoholic beverage on or about his person. I asked Justin where he lived and he stated he lived in Hallsville, Texas. Later when I got Justin's Texas Drivers License it stated he lived in Diana, Texas which is about twenty-five miles from Hallsville. I asked Justin who was he with and he stated he was by himself. I asked Justin could he call someone to pick him up and he stated he might know someone in the club. I stated to Justin since he was intoxicated he could not go back inside the club. I stated to Justin to walk to the front door and we would get a manager to call for someone to come out and meet him. I also stated to Justin Graham's would call a cab to come and get him. Justin refused to get a cab to take him home. Justin was walking away from me to his vehicle which was in the parking lot. I told Justin to stop several times and he kept walking. Justin stopped for about minute in the parking lot and clutched his fists acting like he was going to take a swing at me. Justin never did swing at me and he continued to walk to his pickup. Justin got inside a 1991 Ford 150 extended cab in the parking lot. One of the workers at Graham's tried to grab Justin before he got into his pickup. I went to the passenger side to grab Justin's keys when he was going to put them in the ignition to start the pickup. Security was called to the parking lot. While waiting for Security and trying not to let Justin put the keys in the ignition switch Justin kept reaching between the driver's seat and console acting like he was going for a weapon. I told Justin to put his hand on the steering wheel so that I could see his hand. Later after Justin was detained there was box blade knife and a six inch knife with a black handle found beside the driver's seat. Justin would not let go of the steering wheel so that we could get him out of the vehicle. Ronnie, who is the Chief of Police at Tatum used O/C pepper spray to get Justin out of the vehicle. When Justin was on the ground we told him to put his hands behind his back and Justin was resisting arrest. We finally got Justin arm's behind and he was arrested. Justin had scrapes on his face where his face rubbed against the pavement. There were no serious injuries to Justin. Justin was also decontaminated with water as soon as possible. Justin was arrested for Public Intoxication which is a violation of Texas Penal Code 49.02 which states a person appears to be in a public place while intoxicated to the degree that the person endanger himself or others. Justin was a danger to himself since he was intoxicated. Justin was arrested for UCW which is a violation of Penal Code 46.02 which states he intentionally, knowingly, or recklessly carries on or about his person a handgun, illegal knife, or club. Justin knowingly had the knives since they were in his pickup and he was on licensed location. Justin was arrested for Resisting arrest which is a violation of Penal Code 38.03 a person commits an offense if intentionally prevents or obstructs a person he knows is a peace officer from effecting an arrest. I identified myself several times as a State Police Officer and he would not get out of the vehicle and Justin would not let us put handcuffs on him. I seized the knives from Justin as evidence. Justin was transported to Gregg County Jail by Longview Police Department without incident.

PROBABLE CAUSE FOR ARREST

Please indicate facts that indicate the suspect committed the offense(s) charged. Please include facts relevant to each offense.

My name Dale Shimpock/568, I am an Agent Shimpock with the Texas Alcoholic Beverage assigned to the Longview, Gregg County, Texas. On 8-11-2007 at approximately 10:45 pm I, Agent Shimpock, was at Graham Central Station located at 1016 McCann Road in Longview, Gregg County, Texas. I, Agent Shimpock, was outside Graham Central Station and noticed a white male later identified as Justin Lee Echols (w/m ██████████), walk out the front door of Graham Central Station. I noticed Justin was unsteady on his feet and his coordination was unsteady as well. I made contact with Justin in the parking lot and identified myself as a State Police with the Texas Alcoholic Beverage Commission. I asked Justin how much he had to drink inside Graham's. Justin stated to me he had several drinks inside the bar. Justin's speech was slurred when I was talking to him. Justin's eyes were blood shot and he had a strong odor of alcoholic beverage on or about his person. I asked Justin where he lived and he stated he lived in Hallsville, Texas. Later when I got Justin's Texas Drivers License it stated he lived in Diana, Texas which is about twenty-five miles from Hallsville. I asked Justin who was he with and he stated he was by himself. I asked Justin could he call someone to pick him up and he stated he might know someone in the club. I stated to Justin since he was intoxicated he could not go back inside the club. I stated to Justin to walk to the front door and we would get a manager to call for someone to come out and meet him. I also stated to Justin Graham's would call a cab to come and get him. Justin refused to get a cab to take him home. Justin was walking away from me to his vehicle which was in the parking lot. I told Justin to stop several times and he kept walking. Justin stopped for about minute in the parking lot and clutched his fists acting like he was going to take a swing at me. Justin never did swing at me and he continued to walk to his pickup. Justin got inside a 1991 Ford 150 extended cab in the parking lot. One of the workers at Graham's tried to grab Justin before he got into his pickup. I went to the passenger side to grab Justin's keys when he was going to put them in the ignition to start the pickup. Security was called to the parking lot. While waiting for Security and trying not to let Justin put the keys in the ignition switch Justin kept reaching between the driver's seat and console acting like he was going for a weapon. I told Justin to put his hand on the steering wheel so that I could see his hand. Later after Justin was detained there was box blade knife and a six inch knife with a black handle found beside the driver's seat. Justin would not let go of the steering wheel so that we could get him out of the vehicle. Ronnie, who is the Chief of Police at Tatum used O/C pepper spray to get Justin out of the vehicle. When Justin was on the ground we told him to put his hands behind his back and Justin was resisting arrest. We finally got Justin arm's behind and he was arrested. Justin had scrapes on his face where his face rubbed against the pavement. There were no serious injuries to Justin. Justin was also decontaminated with water as soon as possible. Justin was arrested for Public Intoxication which is a violation of Texas Penal Code 49.02 which states a person appears to be in a public place while intoxicated to the degree that the person endanger himself or others. Justin was a danger to himself since he was intoxicated. Justin was arrested for UCW which is a violation of Penal Code 46.02 which states he intentionally, knowingly, or recklessly carries on or about his person a handgun, illegal knife, or club. Justin knowingly had the knives since they were in his pickup and he was on licensed location. Justin was arrested for Resisting arrest which is a violation of Penal Code 38.03 a person commits an offense if intentionally prevents or obstructs a person he knows is a peace officer from effecting an arrest. I identified myself several times as a State Police Officer and he would not get out of the vehicle and Justin would not let us put handcuffs on him. I seized the knives from Justin as evidence. Justin was transported to Gregg County Jail by Longview Police Department without incident.

---	---

All personnel participating in the operation shall attend the briefing. The supervisor will ensure phone numbers and any other communication information is exchanged at the briefing. The operation will not begin until all personnel are present and in position.

Undercover CPOs will enter the location and observe the location for violations. Agents will primarily focus on TABC public safety violations, but will be expected to take action on any violation of state law. The cover team will maintain a position that allows them to be close enough to respond quickly to the needs of the operation, but out of view of patrons and employees of the location. If the Cover Team members transport a prisoner, or otherwise become unavailable, then the operation will be suspended until they are free to provide cover for the Undercover Agents.

Undercover CPOs may purchase and/or consume alcoholic beverages or other items to maintain cover. If a CPO is required to consume alcoholic beverages as part of the operation, the CPO will not operate a vehicle in violation of the law, or agency policy.

Undercover Agents will contact the Lead Agent or Supervisor at intervals of not more than 20 minutes or sooner if the supervisor or undercover CPO deems it necessary.

The undercover CPOs may discontinue cover and default to statutory duties to intervene in any incident involving imminent death or serious bodily injury to another.

The cover team will enter the establishment and locate the person whom the undercover CPO has observed committing a violation. It is the responsibility of the undercover CPO to ensure the cover team contacts the correct person.

The CPOs on the cover team will identify themselves and explain their reason for speaking to the individual. The individual will be escorted to a safe location in order to minimize any disruption to the location, effectively interview the individual, minimize exposure of the undercover, and determine what actions to take.

A CPO on the cover team will locate a representative of the establishment, preferably the permit/license holder or the person in charge of the establishment. The CPO will explain any action that has been taken, or will be taken.

UC Agents will come open only if circumstances arise or exist such as imminent danger to safety or life. All violations should be handled based on the totality of circumstances keeping the best interest of the State of Texas, violator(s), and public safety in mind.

The on-scene Supervisor has final authority and can deviate from the operation plan for the best interest of officer safety, public safety, or the Agency.

Yvette,

Loretta left before this came across my desk today. I believe that HQ already is aware of this issue but they are calling the field office wanting to now the status of how we will proceed on this issue. I also noticed that they left off locations from their list that may also be affected by their decision. I added those locations and titled the list as TABC LB and NL Roster. I have not checked Nuebus on how the City actually certified the applications but it may be an error on their part , on our part, or neither....

I suspect that Legal is already working on this but we need to know who is working on it so we can refer the inquiries to them and have them stop calling our field office.

Thanks,

Re: Mixed Beverage Restaurant (RM) Application

Ms. Moore,

Thank you for your correspondence dated September 3, 2015 and the clarification of the Late Hours Permits Certification. My staff and I have gone through our records and found six establishments that we believe I have signed in error.

The following establishments show a Mixed Beverage late hours license:

BJ's Restaurant & Brewery, 314 W. Loop 281, Longview, TX 75605
Bootlegger Grill, 1217 McCann Road, Longview, TX 75601
Buffalo Wild Wings Grill & Bar, 3072 N. Eastman Road, Longview, TX 75605
Willy G's, 115 E. Tyler Street, Longview, TX 75605
Applebee's Neighborhood Grill & Bar, 101 West Loop 281, Longview, TX 75605
La Chelle's, 108 East Tyler Street, Longview, TX 75606

I would like to rescind my signature to ensure that the above listed restaurants will be in compliance with the City of Longview Ordinance No. 1287, which is attached. Thank you for your time and consideration.

Sincerely,

A handwritten signature in blue ink that reads "Shelly Ballenger".

Undercover agents will enter location to covertly monitor for violations related to Alcoholic Beverage Code as alleged in the complaint. Agents will also observe for other violations of the Alcoholic Beverage Code, Penal Code and Health and Safety Code with emphasis on violations affecting public safety. See Special Instructions/Amplifying Information below for complaint details.

SYNOPSIS OF OPERATION

Briefing for this undercover operation will take place in the Longview Outpost TABC Office. All persons involved in any aspect of this operation are required to attend the briefing. Anyone not attending the briefing will not be involved in any aspect of the operation.

The undercover (UC) agents will enter the location posing as customers and observe for violations. They will maintain their undercover status unless emergency circumstances exist and they must come open for officer safety or public safety.

The open team agents will stage at a location far enough from the location where they will not be visible by patrons or management of the location but close enough to the location that immediate assistance can be given.

The UC team will update their status every 15 minutes via text or phone call to the supervisor. UC Agent Stringer will be responsible for the status updates to the supervisor. If a status check is overdue the open team will enter immediately. The planned time in the location will be 1 hour. If agents need more time inside they will contact the supervisor for approval.

The UC agents may purchase or consume alcoholic beverages or other items to maintain cover. If alcoholic beverages are consumed, the agents will not operate any vehicle in violation of agency policy or State law.

If a violation is observed a description of the persons involved will be given to the case agent along with details of the violation. The UC team will remain in the location to ensure the proper people are contacted.

Open team roles: The case agent will contact the permittee, or person in charge, and explain the purpose of our presence and any violations detected and what action is to be taken. The case agent will also issue the administrative notice if appropriate. Agents Salazar and Stringer will contact persons needing identified for documentation purposes. Agent Salazar will be responsible for evidence collection. Individuals contacted will be escorted to a safe location in order to minimize disruption to the location, effectively interview the persons, minimize exposure of the UC agents, and determine what action needs to be taken. Agents Krajewski and Shimpock will serve as cover Agents for the UC Agents and will also transport the UC Agents and they will not consume alcoholic beverages.

If a violation is observed a description of the persons involved will be given to the case agent along with details of the violation. The UC team will remain in the location to ensure the proper people are contacted.

If agents observe a violation that involves an intoxicated person(s) who is subject to arrest a custodial arrest will be done only if the person(s) cannot be safely released to a responsible party. The preference for all criminal violations will be to file charges at large. Agents are authorized to make a custodial arrest if circumstances warrant.

If at any time the open team has reason to believe there is a safety concern inside the location they will enter and take appropriate action. Any member can abort the operation for public safety or officer safety concerns. The reason will be immediately communicated to the supervisor.

The operation can be terminated early or extended later with the approval of the supervisor. The operation may be modified by the supervisor due to unforeseen circumstances during the planning of the operation or as events evolve.

The on scene supervisor, Sgt Stokke, will complete the AAR to document the operation and any deviations and will submit it to the Lieutenant by the next working day.

If the UC Team observes someone purchasing alcohol that they believe to be under 21 years of age they will provide a complete description of the server and the minor to the ID Team. If the UC Team observes someone they believe to be a minor consuming alcohol they will attempt to link an employee to the minor's possession/consumption of alcohol.

SPECIAL INSTRUCTIONS / AMPLIFYING INFORMATION
All personnel participating in the operation shall attend the briefing. The supervisor will ensure phone numbers and any other communication information is exchanged at the briefing. The operation will not begin until all personnel are present and in position.

Undercover CPOs will enter the location and observe the location for violations. Agents will primarily focus on TABC public safety violations, but will be expected to take action on any violation of state law. The cover team will maintain a position that allows them to be close enough to respond quickly to the needs of the operation, but out of view of patrons and employees of the location. If the Cover Team members transport a prisoner, or otherwise become unavailable, then the operation will be suspended until they are free to provide cover for the Undercover Agents.

Undercover CPOs may purchase and/or consume alcoholic beverages or other items to maintain cover. If a CPO is required to consume alcoholic beverages as part of the operation, the CPO will not operate a vehicle in violation of the law, or agency policy.

Undercover Agents will contact the Lead Agent or Supervisor at intervals of not more than 20 minutes or sooner if the supervisor or undercover CPO deems it necessary.

Any member of the operation may stop the operation for public or officer safety issues at any time.

If an undercover CPO observes a violation, a description of the subject will be given, including physical appearance and clothing, to the cover team by phone call or text message. The undercover CPO may come open to assist the cover team only if exigent circumstances exist. The undercover CPOs may discontinue cover and default to statutory duties to intervene in any incident involving imminent death or serious bodily injury to another.

The cover team will enter the establishment and locate the person whom the undercover CPO has observed committing a violation. It is the responsibility of the undercover CPO to ensure the cover team contacts the correct person.

The CPOs on the cover team will identify themselves and explain their reason for speaking to the individual. The individual will be escorted to a safe location in order to minimize any disruption to the location, effectively interview the individual, minimize exposure of the undercover, and determine what actions to take.

A CPO on the cover team will locate a representative of the establishment, preferably the permit/license holder or the person in charge of the establishment. The CPO will explain any action that has been taken, or will be taken.

UC Agents will come open only if circumstances arise or exist such as imminent danger to safety or life. All violations should be handled based on the totality of circumstances keeping the best interest of the State of Texas, violator(s), and public safety in mind.

The on-scene Supervisor has final authority and can deviate from the operation plan for the best interest of officer safety, public safety, or the Agency.

Subject: Weekly Source Report

Ladies and Gentlemen,

Good morning. The weekly source report is below and the Cognos reports are attached.

There are higher than usual numbers of complaints with status changes this week that are not reflected on the Cognos reports. There are a couple of reasons: 1. Some closed complaints were changed to "Suspended pending future developments" - this means the case is not closed and will reflect on the weekly report. 2. There are some complaints that were back-dated with their closed date and so they do not show up on the date set in the attached Cognos reports. These reports go on the dates you put in the system - so, if you closed a complaint in reality on Friday, Feb. 12th but put the closed date as sometime in January, it will not populate on the attached Cognos reports.

Please let me know if you have any questions. I have attached the below report in Excel format. Thank you.

The Dirty Rooster Beer & Burger Joint/ N 746148, Allen/Collin – Complaint # 2378562

Received a call from Angela Takacs, the ex-wife of Robert Weare stating that he was killed in an accident after leaving The Dirty Rooster on November 20, 2014. The accident occurred at approximately 2:08 a.m. at the Frontage Road of Hwy 5 and SH 121 in McKinney.

Update Last Week:

Agent Legg has completed his investigation and will prepare report and close source investigation next week.

Update This Week:

Agent Legg was unable to locate any witnesses willing to give a written statement. Agent Legg was unable to locate any guest receipts related to the deceased, or having a substantial amount of the drinks that the deceased preferred. The only witness that would be able to give a timeline for the deceased stated that Weare left The Dirty Rooster between 01:00am and 1:15am. The crash that killed Weare was not witnessed, so no exact time of death can be determined. The investigating McKinney Police Officer was dispatched at 02:33am and arrived at 02:52am. The estimated time of death according to the autopsy report was 02:08am. This leaves a time gap of at least 53 minutes between the time Weare was last seen leaving the location and the time he was estimated to have died. The dispatch time of McKinney PD suggests that there was more time elapsed between the time the victim left the location and the time that someone discovered that Weare was deceased. Agent Legg went to the location of the accident, and drove the route that was listed on the accident report. This route is not consistent with any route or time frame for leaving The Dirty Rooster and returning to Weare's residence. No further evidence at this time.

The waitress in the area, Caitlin Nugent, goes to the manager and informs him what just happened. According to Nugent, the shoving was brief and after it was over two Hispanic males (Ricardo Padilla and Javier Serrano) went outside exiting through the door closest to the tables. After Padilla and Serrano are gone, a manager comes over to the area and stands near the tables. Padilla came back into the location through the front door and a fight breaks out between both tables. The only witness that would be able to give a timeline for the deceased stated that Weare left The Dirty Rooster between 01:00am and 1:15am. The estimated time of death according to the autopsy report was 02:08am. This leaves a time gap of at least 53 minutes between the time Weare was last seen leaving the location and the time he was estimated to have died. The dispatch time of McKinney PD suggests that there was more time elapsed between the time the victim left the location and the time that someone discovered that Weare was deceased. Agent Legg went to the location of the accident, and drove the route that was listed on the accident report. This route is not consistent with any route or time frame for leaving The Dirty Rooster and returning to Weare's residence. No further evidence at this time.

On December 13, 2015 at approximately 12:01 AM, Carrollton PD received a call regarding a large fight at Buffalo Wild Wings. When Police arrived, all involved parties had already left the scene. Carrollton PD Officer Honeycutt was sent to Presbyterian Hospital-Plano to make contact with an individual injured during the fight. The individual sustained stab wounds from a fight at Buffalo Wild Wings. These wounds were non-life threatening. Carrollton PD interviewed several witnesses that evening. There were two tables of males watching the UFC fight. At an unknown time, an African American male from one table and a Hispanic male from adjacent table start to shove each other. The waitress in the area, Caitlin Nugent, goes to the manager and informs him what just happened. According to Nugent, the shoving was brief and after it was over two Hispanic males (Ricardo Padilla and Javier Serrano) went outside exiting through the door closest to the tables. After Padilla and Serrano are gone, a manager comes over to the area and stands near the tables. Padilla came back into the location through the front door and a fight breaks out between both tables. It is unclear how much time passed between Padilla exiting and then re-entering the location. At some point during the second fight, Padilla was stabbed.

OPERATIONAL OBJECTIVE					

To gather intel to sustain or invalidate the allegation that permittee or her agents are using illegal drugs and/or selling/providing illegal drugs, specifically Marijuana to patrons or each other as well as selling/serving alcoholic beverages to Intoxicated Persons. Since this is the first visit to the location in response to these allegations, the objective of the investigation of the drug allegations will be primarily intelligence gathering. No action will be taken unless deemed necessary by Sgt Stokke and Lt Weise

The objective for the intoxicated permittee and sale of alcoholic beverages to intoxicated persons allegations will be to determine whether this is in fact occurring and take action as needed to assure the safety of persons involved.

SYNOPSIS OF OPERATION

Agents will enter into the establishment in an undercover capacity to determine whether the location is violating any laws of the state of Texas. Agents will not actively attempt to purchase any illegal drugs and will observe employee and patron actions, attempting to gain their trust as a regular patron; however, if it is determined that any violations involving the use or sale of illegal drugs are occurring, the undercover Agents will contact Open Team Agents and Sgt Stokke providing all relevant information, including the descriptors of persons involved and the details of their observations. Sgt. Stokke will then make a decision as to whether to take immediate action or continue the investigation. If Sgt. Stokke and Lt Weise deems it necessary to take immediate action after obtaining all relevent information, members of the Open Team will travel to the location and enter the location and take any action determined to be appropriate. SPECIAL INSTRUCTIONS / AMPLIFYING INFORMATION

All personnel participating in the operation shall attend the briefing. The supervisor will ensure phone numbers and any other communication information is exchanged at the briefing. The operation will not begin until all personnel are present and in position.

Undercover CPOs will enter the location and observe the location for violations. Agents will primarily focus on TABC public safety violations, but will be expected to take action on any violation of state law. The cover team will maintain a position that allows them to be close enough to respond quickly to the needs of the operation, but out of view of patrons and employees of the location. If the Cover Team members transport a prisoner, or otherwise become unavailable, then the operation will be suspended until they are free to provide cover for the Undercover Agents.

Undercover CPOs may purchase and/or consume alcoholic beverages or other items to maintain cover. If a CPO is required to consume alcoholic beverages as part of the operation, the CPO will not operate a vehicle in violation of the law, or agency policy.

Undercover Agents will contact the Lead Agent or Supervisor at intervals of not more than 20 minutes or sooner if the supervisor or undercover CPO deems it necessary.

Any member of the operation may stop the operation for public or officer safety issues at any time.

If an undercover CPO observes a violation, a description of the subject will be given, including physical appearance and clothing, to the cover team by phone call or text message. The undercover CPO may come open to assist the cover team only if exigent circumstances exist. The undercover CPOs may discontinue cover and default to statutory duties to intervene in any incident involving imminent death or serious bodily injury to another.

The cover team will enter the establishment and locate the person whom the undercover CPO has observed committing a violation. It is the responsibility of the undercover CPO to ensure the cover team contacts the correct person.

The CPOs on the cover team will identify themselves and explain their reason for speaking to the individual. The individual will be escorted to a safe location in order to minimize any disruption to the location, effectively interview the individual, minimize exposure of the undercover, and determine what actions to take.

A CPO on the cover team will locate a representative of the establishment, preferably the permit/license holder or the person in charge of the establishment. The CPO will explain any action that has been taken, or will be taken.

UC Agents will come open only if circumstances arise or exist such as imminent danger to safety or life. All violations should be handled based on the totality of circumstances keeping the best interest of the State of Texas, violator(s), and public safety in mind.

The on-scene Supervisor has final authority and can deviate from the operation plan for the best interest of officer safety, public safety, or the Agency.

Mavericks Bar & Grill, Arlington / Tarrant Complaint #2427408:

The Arlington Police Department responded to a major crash in the 2400 block of S. Fielder Road around 11:30 p.m. on Thursday, March 10, 2016. The investigation revealed that an SUV was traveling southbound on Fielder and for an unknown reason, the driver, a man in his 20's, lost control. The vehicle left the roadway and struck a residential structure after the vehicle rolled over. The driver was ejected from the vehicle and pronounced deceased at the scene. The crash remains under investigation. There were no other occupants inside the SUV. The Tarrant County Medical Examiner will identify the deceased once next of kin notification has been made. Rec'd information on 03-11-16. Sgt. Kelso and Agent Hamilton have both been in contact with APD DWI Sgt. Chao, who has provided information related to possible witnesses. On 03-12-16 Agent Hamilton received confirmation APD has been able to obtain surveillance video from Maverick as well as copies of receipts, and they are holding this information and will provide it to Agent Hamilton.

Activity last week:

Agent Hamilton conducted full review of report with accompanied copies of 2 receipts, which were received last weekend during agent's days off. Agent Hamilton has not yet received the video from APD. Agent Hamilton spoke with Ofcr. Banks with the APD DWI Unit, who gathered some of the information related to Mavericks and spoke with bar employees. On 04-02-16, Agent Hamilton went to Mavericks to deliver a directive to obtain all receipts for that evening and a list of employees with contact information. Agent Hamilton spoke with owner Richard Chavez, who was very cooperative, and visibly upset about what happened. Chavez advised a girl the victim was with had the first name "Chelsea" and may have purchased some drinks. He had obtained information regarding a possible other location victim had been, after Mavericks, and pulled in various employees to provide pieces of information regarding a timeline. Current information is that victim was at Mavericks from around 7:30pm to 10pm, then left Mavericks and walked to J Gilligans, where he was served, and was soon kicked out of the business for supposedly fighting, possibly with an off-duty officer/constable working security. He then walked back to his vehicle, which was parked at his father's property a couple of doors down from Mavericks, then left and was involved in the fatal accident. Chavez advised victim's father has been coming in Mavericks for quite a while, was there with victim earlier in the evening, and was a source of some of the information regarding the victim being kicked out of J Gilligans for fighting, as the father came back in on Monday and talked about that night.

Activity this week:

A directive to produce documents for J Gilligans was drafted for service at J Gilligans on 04-08-16, due to information received from Maverick's that the victim may have last been at J Gilligans. Agent Hamilton met with the owner and bar manager of J Gilligans, who advised they would cooperate fully. They advised the victim had been there, but they did not believe he had been served before he got in a fight and was kicked out. Directive for Mavericks was due this week and information was not forthcoming, Agent Hamilton will make contact with the bar next week to obtain the employee and tab information.

Applebee's, Grand Prairie / Tarrant Complaint #2442328 (Aggravated Breach):

Agent Hamilton received initial information from GPPD Officer New, and follow up from Chief Morris, who requested an **emergency summary suspension**. A complaint was opened on 04-01-16 to document the information received and activity to investigate matter and in furtherance of obtaining and issuing the order. Order was granted, and upon receipt of the order it was issued to the Applebee's that evening. Per information obtained, at around 1am GPPD was dispatched to the Applebee's on a disturbance call. The fight had moved from inside the business to the parking lot. One of the subjects involved had left prior to officers' arrival, and GPPD was able to disperse the rest. At around 2:14am, GPPD was dispatched again to the location, due to another disturbance in which it was reported someone had been shot. According to information obtained, it

started inside Applebee's and ended up in the parking lot where the shooting occurred. The victim had sustained a gunshot to the stomach. During the preliminary investigation, officers spoke with witnesses who placed the involved parties as the same people who had been involved in the earlier altercation where they had been ordered to leave. At the time the emergency summary suspension was requested by GPPD, it was explained by them that they had not located the shooter, the parties are all known regulars of the business and liable to return yet again to the business, and although the suspect had not been identified and located, the victim has an extensive drug offense history and the person who drove him to the emergency room was arrested for possession of marijuana and cocaine. Due to the possibility of parties returning, and the criminal background of at least 2 of the parties, GPPD felt further violence may occur.

Activity this week:

Applebee's was serving an emergency summary suspension until Friday (4/8) at 8:00pm. Agent Hamilton monitored the location for compliance with the directive. The business was open for food service but closed every evening during the suspension by midnight. GPPD held a meeting with Applebee's upper management/ownership on 04-06-16, and Agent Hamilton later spoke with one of the officers who attended the meeting. On 04-07-16, Agent Hamilton attempted contact with the detective working the case, and is awaiting contact back. On 04-08-16, Agent Hamilton conducted a last check in the afternoon to ensure compliance with the summary suspension, and met with the GM and area manager of Applebee's, who were conducting an employee meeting regarding implementation of changes.

Constable Campbell had gone to Park Avenue Private Club off-duty and was not permitted to carry his concealed off-duty weapon into the club after being patted down by security. The location does not allow any firearms. Constable Campbell had contacted the Dallas Police Department regarding being allowed to carry and the owner of the club turned him down. I explained to Constable Campbell that business owners can prohibit certain activities at their locations, such as, "no under 21," or, "no under 18." I also gave him an example of a large family entertainment venue not allowing firearm carry by peace officers. While not against the law, business owners can make those business decisions. The investigation revealed that an SUV was traveling southbound on Fielder and for an unknown reason, the driver, a man in his 20's, lost control. The vehicle left the roadway and struck a residential structure after the vehicle rolled over. The driver was ejected from the vehicle and pronounced deceased at the scene. The crash remains under investigation. There were no other occupants inside the SUV. The Tarrant County Medical Examiner will identify the deceased once next of kin notification has been made. Rec'd information on 03-11-16. Sgt. Kelso and Agent Hamilton have both been in contact with APD DWI Sgt. Chao, who has provided information related to possible witnesses. On 03-12-16 Agent Hamilton received confirmation APD has been able to obtain surveillance video from Maverick as well as copies of receipts, and they are holding this information and will provide it to Agent Hamilton.

Agent Hamilton spoke with Ofcr. Banks with the APD DWI Unit, who gathered some of the information related to Mavericks and spoke with bar employees. Agent Hamilton spoke with owner Richard Chavez, who was very cooperative, and visibly upset about what happened. Chavez advised a girl the victim was with had the first name "Chelsea" and may have purchased some drinks. He had obtained information regarding a possible other location victim had been, after Mavericks, and pulled in various employees to provide pieces of information regarding a timeline. Current information is that victim was at Mavericks from around 7:30pm to 10pm, then left Mavericks and walked to J Gilligan's, where he was served, and was soon kicked out of the business for supposedly fighting, possibly with an off-duty officer/constable working security. He then walked back to his vehicle, which was parked at his father's property a couple of doors down from Mavericks, then left and was involved in the fatal accident. Chavez advised victim's father has been coming in Mavericks for quite a while, was there with victim earlier in the evening, and was a source of some of the information regarding the victim being kicked out of J Gilligan's for fighting, as the father came back in on Monday and talked about that night.

Directive for Mavericks was due this week and information was not forthcoming, Agent Hamilton will make contact with the bar next week to obtain the employee and tab information.

Applebee's, Grand Prairie / Tarrant Complaint #2442328 (Aggravated Breach):

Agent Hamilton received initial information from GPPD Officer New, and follow up from Chief Morris, who requested an **emergency summary suspension**. A complaint was opened on 04-01-16 to document the information received and activity to investigate matter and in furtherance of obtaining and issuing the order. Order was granted, and upon receipt of the order it was issued to the Applebee's that evening. Per information obtained, at around 1am GPPD was dispatched to the Applebee's on a disturbance call. The fight had moved from inside the business to the parking lot. One of the subjects involved had left prior to officers' arrival, and GPPD was able to disperse the rest. At around 2:14am, GPPD was dispatched again to the location, due to another disturbance in which it was reported someone had been shot. According to information obtained, it started inside Applebee's and ended up in the parking lot where the shooting occurred. The victim had sustained a gunshot to the stomach. During the preliminary investigation, officers spoke with witnesses who placed the involved parties as the same people who had been involved in the earlier altercation where they had been ordered to leave. At the time the emergency summary suspension was requested by GPPD, it was explained by them that they had not located the shooter, the parties are all known regulars of the business and liable to return yet again to the business, and although the suspect had not been identified and located, the victim has an extensive drug offense history and the person who drove him to the emergency room was arrested for possession of marijuana and cocaine. Due to the possibility of parties returning, and the criminal background of at least 2 of the parties, GPPD felt further violence may occur.

THE HAYSTACK/ MB206140, Wichita Falls/Wichita- Summary Suspension- Aggravated Breach#2428288

S. Wilie, entered the Haystack at approximately 12:30 AM- 1AM. He encountered an old friend that he no longer considered a true friend, Douglas Hearne, and they proceeded to get into an argument. The bouncer at the location, Sammy, approached Wilie and told him that he needed to go because there were too many guns in there. As the bouncer escorted Wilie out the door they were followed by a subject, Demetrian Combs, as they exited the location Combs shot Wilie multiple times. A female, Ashlie Couch, picked up Wilie's gun and opened fire at the front door of the location. A bullet went thru the door striking a subject inside, Douglas Hearne, killing him. Combs fled the location.

Information indicates that families of the parties involved are searching for the actors and want justice. There were several different gangs at the location during this offense.

The actual shootings took place at the front door and on the front porch of the licensed location.

Update Last Week:

Agent Miller and Agent Carroll spoke to the bouncer that was on duty the night of the shooting. The bouncer was asked how he thought a gun or guns had gotten into the location if he was patting down everybody as they came in the door. He replied that they were coming in thru the emergency exit door. He is unable to control both door when he works the front.

Sergeant Doggett met with Chief Sylvester with Sachse Police Department. He noted 2 locations with issues in his city. Govt. Contact completed and complaints issued.

Lt. Thompson was contacted by Dallas Police Department Deputy Chief Albert Martinez in reference to an aggravated assault which occurred outside El Globo Taqueria Restaurant/RM899196. An investigation has been opened under complaint #2448526 in reference to an Aggravated Breach investigation and Place or Manner due to a possible violation of an agreement made between TABC and El Globo prior to the issuance of their current permit. Lt. Thompson and Chief Martinez discussed the protest TABC has initiated for a supplemental application for El Globo (Protest #2436930) in regards to the issuance of a Late Hours Permit. Chief Martinez expressed interest in joining the protest along with other city officials.

Lt. Thompson met with Tarrant County Precinct 8 Constable Michael Campbell in regards to Park Avenue Private Club/N888903. Constable Campbell had gone to Park Avenue Private Club off-duty and was not permitted to carry his concealed off-duty weapon into the club after being patted down by security. The location does not allow any firearms. Constable Campbell had contacted the Dallas Police Department regarding being allowed to carry and the owner of the club turned him down. I explained to Constable Campbell that business owners

can prohibit certain activities at their locations, such as, “no under 21,” or, “no under 18.” I also gave him an example of a large family entertainment venue not allowing firearm carry by peace officers. Constable Campbell advised he wanted to check to make sure there were no TABC laws prohibiting him from carrying his firearm off-duty. No complaint issued.

SYNOPSIS OF OPERATION				

Intoxication Violation(s): The UC Team will enter the location and look for patrons / employees displaying signs of intoxication. The UC Team will further observe the employees at the location to see if they will continue to serve alcoholic beverages to the intoxicated individuals or if the employees will stop serving them; ensuring the intoxicated patrons are reasonably cared for. The ID Team will provide backup/cover as needed. The ID Team will identify the person(s) involved with the violation as directed by the UC Team and will issue the appropriate administrative notice and criminal citations.

SPECIAL INSTRUCTIONS / AMPLIFYING INFORMATION
All personnel participating in the operation shall attend the briefing. The supervisor will ensure phone numbers and any other communication information is exchanged at the briefing. The operation will not begin until all personnel are present and in position.
Undercover CPOs will enter the location and observe the location for violations. Agents will primarily focus on TABC public safety violations, but will be expected to take action on any violation of state law. The cover team will maintain a position that allows them to be close enough to respond quickly to the needs of the operation, but out of view of patrons and employees of the location. If the Cover Team members transport a prisoner, or otherwise become unavailable, then the operation will be suspended until they are free to provide cover for the Undercover Agents.

Undercover CPOs may purchase and/or consume alcoholic beverages or other items to maintain cover. If a CPO is required to consume alcoholic beverages as part of the operation, the CPO will not operate a vehicle in violation of the law, or agency policy.

Any member of the operation may stop the operation for public or officer safety issues at any time.

If an undercover CPO observes a violation, a description of the subject will be given, including physical appearance and clothing, to the cover team by phone call or text message. The undercover CPO may come open to assist the cover team only if exigent circumstances exist. The undercover CPOs may discontinue cover and default to statutory duties to intervene in any incident involving imminent death or serious bodily injury to another.

The cover team will enter the establishment and locate the person whom the undercover CPO has observed committing a violation. It is the responsibility of the undercover CPO to ensure the cover team contacts the correct person.

The CPOs on the cover team will identify themselves and explain their reason for speaking to the individual. The individual will be escorted to a safe location in order to minimize any disruption to the location, effectively interview the individual, minimize exposure of the undercover, and determine what actions to take.

A CPO on the cover team will locate a representative of the establishment, preferably the permit/license holder or the person in charge of the establishment. The CPO will explain any action that has been taken, or will be taken.

UC Agents will come open only if circumstances arise or exist such as imminent danger to safety or life. All violations should be handled based on the totality of circumstances keeping the best interest of the State of Texas, violator(s), and public safety in mind.

The on-scene Supervisor has final authority and can deviate from the operation plan for the best interest of officer safety, public safety, or the Agency.

SECURITY						

On August 5, 2013 I asked for records of calls for service/offense reports associated with Graham Central Station occurring August 1, 2012 through August 4, 2013 from the Longview Police Department for 1016 McCann, Graham Central Station, for the past year. I received the information from Longview Police Department on the same date. I reviewed calls for service for GCS and found 16 calls made by LPD at the location involving the business that we had no record at TABC of having received a Report of Breach from Graham Central Station as required.

TABC license and permit holders are required to report to the Texas Alcoholic Beverage Commission **as soon as possible but within 24 hours** any incident on the licensed premises where a person shoots, stabs, causes serious* bodily injury to, or murders a person.

****Serious** bodily injury is defined in Section 1.07 of the Penal Code as "bodily injury that creates a substantial risk of death or that causes death, serious permanent disfigurement, or protracted loss or impairment of the function of any bodily member or organ."*

Unless required by the previous section to report within 24 hours, TABC license and permit holders are required to report to the Texas Alcoholic Beverage Commission **as soon as possible but within five days** any incident on the licensed premises where either:

1. Law enforcement or emergency medical services personnel respond to the premises of a permit or license; OR
2. A disturbance is created on the premises by a person who does **any of the following**:
 - a. Causes bodily injury to another person;
 - b. Threatens another person with a weapon;
 - c. Discharges a firearm on the premises of the permit or license; or
 - d. Destroys the permittee's or licensee's property, if the incident is reported by the permittee or licensee to a law enforcement agency.

An incident described in paragraphs (1) and (2) in this section only has to be reported if it:

- a. Occurs at a time when the permittee or licensee or any person allowed by the permittee or licensee is on the premises and
- b. Interferes with, interrupts, or intrudes upon the operation or management of the licensed premises

On August 13, 2013 I sent an email to Longview Agents asking for copies of any Reports of Breach they may have received from Graham Central Station. I received a reply from Agent Turner with two Reports of Breach, none of which pertained to the incidents in question. I asked Agent Turner to get copies of Reports of Breach from Graham Central Station on the same date for the past year. From experience, I know that management of Graham Central Station keeps copies electronically of all Reports of Breach filed. On August 21, 2013 Agent Turner provided the Reports of Breach supplied by Graham Central

Station. They supplied 10 reports for past year. I reviewed the reports provided. I found that, after comparing them to the calls for service documented by the Longview Police Department, Graham Central Station failed to provide Reports of Breach to the Texas Alcoholic Beverage Commission as required by Texas Alcoholic Beverage Commission Rule #35.32 titled, Reporting a Breach of the Peace, and as outlined above for 13 incidents.

One of the incidents occurred on August 7, 2013. According to the "Detailed History for Police Event #132190476", Longview Police Department received a call from Graham Central Station "Security" stating that a female, Terreka Williams was Criminally Trespassing at the location. Longview Police Officers responded and arrested Ms. Williams for Criminal Trespass and outstanding city warrants for her arrest.

Narrative

On August 24, 2013 at approximately 0218 hrs I, Ofc Nichols, made contact with Wesley Ryan Pierce by telephone (903-576-0949) in reference to an incident that took place at 1019 McCann Rd (Graham Central Station).

Ryan told me he came to this location around midnight to have a couple of beers. Ryan said he had probably been there for about twenty to thirty minutes and had a couple of beers, when a white male he knew as Aaron approached him. Ryan said Aaron asked him "You going to act like you don't even know me?". Ryan said Aaron had three people with him and one of them was Shawn Mulkey.

Ryan said he used to be friends with Shawn when they went to high school together but things have changed since then. Ryan said he is married and has a ten month old daughter now. Ryan said that his wife was hanging around one of Shawn's friends at one point in time and that is how Aaron knew him.

Ryan said that they were obviously trying to start problems with him but he tried to ignore it the best he could. Ryan said Aaron and the other eventually left him alone. Ryan said he was at the bar and ordering another drink when Shawn came up behind him and whispered in his ear "How'd you like it if I fuck your wife and rape your daughter?".

Ryan said he turned around and Shawn had about three guys with him. Ryan said he began arguing with Shawn and they were getting loud. Ryan said there were about five guys around him when Security for Grahams intervened.

Ryan said that he asked the security if he needed to leave and they told him yes. Ryan said he asked if they were going to make Shawn leave and they told him no. Ryan said Shawn and his group of people he was with started laughing.

Narrative

Ryan was clearly upset and disgusted with what Shawn said to him. Ryan said he does not know exactly where Shawn lives but said he stays in one of the apartment complexes behind the Longview Mall. Possibly the Summer Lake Apartments.

Ryan was advised that if he continues to have problems with Shawn to contact the local authorities whether it would be us or fall under Harrison County or Hallsville's jurisdiction.

No further information to add at this time.

INTER-OFFICE COMMUNICATION

TO: Agent David Salazar

FROM: Agent Todd Turner

SUBJECT: Graham Central Station (N461939) Breach Report for March 17th, 2003

DATE: 08/21/2013

On Saturday night (Sunday 8/18) at approximately 1:35am, I conducted a priority inspection at Graham Central Station (N461939) in Longview, Texas.

I spoke to the General Manager Jeremy Prince, Assistant manager Collin Williams, and Assistant Manager Bryan Waller. Agent Salazar had requested that I obtain copies of breach reports from Graham's for the past year. We spoke in the manager's office area of Graham's. GM Prince got on his computer and looked up and made copies of the requested breach reports.

While GM Prince was making the copies, Asst. Mgr Collin Williams was standing right there and told me that he had made a breach report for the sexual assault incident on 3/17/13 and had added it to their breach reports. He acknowledged that he knew it was after the fact and after it had been an issue with the TABC reporting process and administrative action and wanted to let me know it would also be included in these copies being submitted.

In the stack of breach reports that Agent Salazar requested, is a breach report that Asst. Mgr Collin Williams made for 3/17/13, several months after the actual breach incident and after administrative action was taken on Graham Central Station.

Todd Turner, Agent

TABC Longview Area Office

While speaking with RP I observed multiple attempts by the Subject to contact RP via Facetime (I-phone video chat). On one occassion RP answered the phone and I heard Subject state that he would never leave RP alone and then call her a derogatory name. Subject demanded that RP tell him where she was but she would not. While providing advice to RP regarding her situation, her friend, who brought her to the PD advised that the Subject was in the parking lot near RP's vehicle. The witness said that he then saw the Subject leave the parking lot of the PD. RP almost immediatley began to recieve threatening text messages from the Subject regarding her being at the PD reporting him. the texted message stated that she would regret it if she filed charges on him.

Narrative

On Thursday February 7, 2013 at approximately 01:04, I, Officer A. Zapotocky #467 arrived at Good Shepherd Medical Center, located at 700 E Marshall Ave in Longview, Gregg County, Texas in reference to a female claiming she was sexually assaulted while at Graham's Central Station in Longview.

Involved Persons:

- [REDACTED] (VIC)
- McCarty, Michael Chan (INP, [REDACTED])
- Cogburn, Kasey (INP, Friend)
- Spears, Fred Nathaniel (SUS, ex-boyfriend)

Victim Statement ([REDACTED])

Upon arrival, I made contact with the victim, stating to be [REDACTED]. She was very difficult to understand due to soft and slurred speech. [REDACTED] had difficulty speaking in full sentences and mumbled most of her words while speaking with me. The odor of alcohol was very faint, and her behavior did not reflect being heavily intoxicated. Based on my training and experience, and after discussing the situation with Good Shepherd Medical Center staff, it appeared to me that [REDACTED] was under the influence of an unknown narcotic, which she states she did not take but was given to her.

[REDACTED] stated she had 2-3 alcoholic beverages at [REDACTED] Chan's house earlier in the evening with him and

Narrative

her friend Kasey. She stated at no point in time did she believe she was ever intoxicated, but only slightly under the influence. [REDACTED] stated the three of them decided to leave the house in Longview and go to Graham's Central Station. [REDACTED] stated she did not remember what time they left the house, nor what time they arrived at Graham's.

While at Graham's [REDACTED] encountered her ex-boyfriend, and stated his name to be Fred Spears. She could not remember his date of birth, but stated he was 23-24 years of age, a black male, tall, and wears eye glasses. [REDACTED] and Spears dated for approximately one month, almost one year ago (early months of 2012). She stated she has only spoken to him once or twice since ending that relationship, and she did not plan to meet him at Graham's Central Station on this date.

While Spears was talking to [REDACTED] he stated, "I didn't lick you the way I was supposed to", possibly referring to when the two were in a dating relationship with one another. [REDACTED] was unsure what he meant by that statement, but assumed it was a sexual remark or innuendo. Spears offered to buy [REDACTED] a drink at that time, but she declined the offer. Soon after, Spears met with [REDACTED] again inside the bar, approached her with a "blue drink" in his hand, and stated, "Why don't you just drink the drink I just bought you". [REDACTED] stated she has had this same drink from Graham's before and stated it was normally a solid blue in color drink. However, the drink that Spears handed her appeared slightly different, stating there was "something white" on top of the liquid in the glass. [REDACTED] stated she consumed the drink anyway, and then went to find her friend Kasey.

[REDACTED] stated she had extreme difficulty recalling what events took place at this point in the night, as well as the chronological order of events. While still inside Graham's Central Station, [REDACTED] began feeling ill and believed it to be a result of the drink she had consumed. While talking to Spears once more, she stated she wanted to go home to [REDACTED] Chan's house. She said Spears replied, "I will take you to [REDACTED] Chan's, just come with me". [REDACTED] did not recall leaving the Graham's building, walking to the parking lot, or walking anywhere with Spears.

[REDACTED] stated she could remember being in a vehicle with Fred, but could not remember what kind (make or model) and could not provide any descriptors of the vehicle. She stated she believed it was blue in color, had a back seat, and thought it had 4 doors. [REDACTED] stated the next thing she could remember was arguing with Spears inside a room at an unknown location. The only details she could recall about the room was that it had carpet, and a white door which faced the road. She stated Spears did not use a key to open the door that they entered, but simply walked in and had her follow him inside to the dark room.

[REDACTED] stated she was laying down on her back, but could not remember if she was on the floor, or on a bed inside the room. She stated there was one bed, and one table, but nothing else (no other furniture) inside the room. She recalled yelling at Spears, "You said you were taking me to [REDACTED] Chan's house!! Please don't! Please stop!" During this argument, Spears proceeded to remove all of [REDACTED] clothes. Spears replied to [REDACTED] demands, stating, "I'll take you to [REDACTED] Chan's in a minute".

[REDACTED] stated Spears then "forced" his penis into her vagina. She stated she could not remember if a condom was used, but that the forced penetration caused her serious pain to her vagina. [REDACTED] stated she begged Spears to stop, but he refused. [REDACTED] stated she was going to tell her [REDACTED] Chan what Spears was doing to her, and he replied with, "No one will ever believed you... You're too fucked up". [REDACTED] stated Spears continued to hold her down and continued forcing his penis into her vagina. [REDACTED] also stated he forced his penis into her mouth at one point in time, but could not recall whether that incident took place before or after the vaginal penetration.

[REDACTED] stated she could not recall any further events. She had no recollection of being taken back to Graham's Central Station, no recollection of being in the car with her [REDACTED] Chan, and had no clue how she arrived at Good Shepherd Medical Center, or why she was there.

When asked about any description or identifiers of Spears, she stated she believed he was wearing a green shirt at the time of the incident, but could not provide any further information.

Involved Party Statement ("[REDACTED] Chan")

I then made contact with Michael Chan McCarty, who had brought [REDACTED] to Good Shepherd Medical Center. He confirmed that [REDACTED] had only 3 alcoholic beverages at this house prior to leaving for Graham's Central Station.

Narrative

He stated she did not appear intoxicated in any way, and was "acting normal" compared to when she has had a few drinks in the past.

Michael stated they arrived at Graham's Central Station and he parted ways with [REDACTED] and Kasey. He stated he had been talking and hanging out with different friend and groups of people, and that [REDACTED] had not been with him most of the night. However, at some point in time, Kasey made him aware that Spears was at the location, and [REDACTED] was talking to him. He stated he did not think anything of the incident, and did not go to find her.

Just prior to midnight, Kasey found Michael again and told him [REDACTED] was not feeling well. He was told she consumed some sort of blue drink, and it had possibly made her ill. However, when he went to find [REDACTED] he could not locate her inside the bar. He stated he continued looking all over Graham's for her, but did not find her.

It was just after 12:20 on this date when Kasey called him and informed him [REDACTED] was found laying in the bed of a white Chevrolet S10 pickup in the outside parking lot of Graham's Central Station. He stated she appeared "heavily intoxicated" and did not even recognize him as [REDACTED]. She repeatedly yelled she wanted [REDACTED] Chan, but did not recognize him while they were face-to-face.

At that time, Michael pulled his car around to the Chevy pickup, and they were able to get [REDACTED] into the car. Michael stated they left the location, and were traveling down Glencrest Ln near Rotary Park. At that time, [REDACTED] made the outcry, "He took my clothes off... he had sex with me!" as she started crying hysterically. Michael pulled over near the park, and asked her more questions. He stated [REDACTED] only continued crying and making the same statement over and over again. When Michael asked her who, she yelled "Fred!!!" in response.

Based on her statements, Kasey and Michael agreed to take her to Good Shepherd Medical Center for evaluation, and asked that hospital staff call the police to report the incident.

Involved Party Statement (Friend - Kasey)

Kasey Cogburn resides with Michael McCarty in Longview, and is a long time friend of [REDACTED] [REDACTED]. She stated they had all been drinking a few drinks at 309 Englewood, where she and Michael live together. They left the house and arrived at Graham's Central Station between 22:30 and 23:00 on February 6, 2013. She and [REDACTED] had been hanging out, side by side, for most of the night at Graham's.

Cogburn stated [REDACTED] only wanted water to drink at the bar, stating she had already had enough to drink and did not want anything else while there. Cogburn stated she gave [REDACTED] at least 3 glasses of water during the first 45 minutes at Graham's. The two separated for a few minutes, which is when [REDACTED] is believed to have been talking with Spears. Just before 23:45, [REDACTED] approached Cogburn and told her Spears had just bought her a blue drink, and that she was now feeling very ill after drinking it. Cogburn then went to tell Michael what [REDACTED] had just told her.

Cogburn then returned to the same area of the bar where [REDACTED] was last seen, and could not find her. She and Michael continued searching the bar, but were unsuccessful in locating [REDACTED] anywhere inside. This is when it is believed that [REDACTED] had left the premises with Spears to an unknown location.

According to Cogburn's call records on her phone, she stated she had a missed call from [REDACTED] cell phone number at 00:22 on February 7, 2013. She immediately returned the call at 00:23 expecting [REDACTED] to answer. However, a male answered the phone and asked Cogburn if she knew a girl wearing the exact clothing description of what [REDACTED] was wearing. Cogburn stated yes, and the male told her "something is wrong" and that she (Cogburn) needed to come out to the parking lot at Graham's.

There, Cogburn located [REDACTED] laying on her back in the bed of a white Chevrolet S10 pickup truck in the parking lot with the tail gate down. Cogburn stated she did not know whose truck this was, and the truck did not belong to the male who had called her from [REDACTED] phone. She stated he was a tall black male, and told her his name was "Junior". The unknown black male then stated he had to leave, and left the parking lot in an unknown vehicle. Shortly after is when Cogburn called Michael, who was still inside, to come outside and assist. Cogburn could not provide any other descriptors of the black male, or the vehicle he left in.

Cogburn stated [REDACTED] was crying heavily and hysterically. She stated she could not understand a word [REDACTED]

Narrative

was saying, and was unable to get [REDACTED] to communicate what was wrong with her, or why she was upset. Michael then arrived outside, they got [REDACTED] into Michael's car, and they left the parking lot.

Cogburn stated the same details as Michael in regards to the conversation that took place near Rotary Park, and the events (driving to Good Shepherd Medical Center) immediately after.

Further Information

Good Shepherd Medical Center nursing staff advised that they were unable to complete the SANE exam at this time due to [REDACTED] level of intoxication, and / or because of potential narcotics in her system. [REDACTED] has to be sober to provide consent to a SANE exam, and therefore staff has to wait to complete the exam.

Nurse staff advised they would contact Longview Police Department when (if) the SANE exam was complete and ready for pickup.

Suspect Information

After reviewing Spears' picture and information in Gregg County Jail Search, it appears Spears is Fred Nathaniel Spears, and is a "Junior". Given the description of the male that was waiting with [REDACTED] when Cogburn was called, it is possible that it was in fact Spears who referred to himself as "Junior" to Cogburn.

Michael McCarty stated he is good friends with Spears' brother here in Longview, and knows that Fred Spears Jr. currently works at the "nursery" on W Loop 281, just north of Highway 31 in Longview. He could not provide any further details regarding a vehicle, or a current address. Longview RMS information shows a most recent address of 5515 W Loop 281 #2101 in Longview as Spears' home address. I did not attempt any contact with Spears as a part of this investigation.

I made contact with the General Manager and off-duty Overton police officers working at Graham's Central Station in an attempt to obtain possible video of the incident and involved parties. Off duty officers were made aware of the possible circumstances and investigation. They were provided with the possible name of the suspect in order to track down any records of Spears' ID/DL being swiped upon entry into the club, as well as to see if he used a credit/debit card at this location on this date. They were unable to obtain that information on this date.

The General Manager was given a case number, and a time frame (23:45 - 00:25) for the video we were trying to obtain. He was also given the possible description (tall black male in a green shirt) to look for while reviewing the video. He assured me the Longview Police Department would have Graham's full cooperation for this investigation. Prior to leaving Graham's, he had already contacted his District Loss Prevention Manager in order to have the video burned to disc for investigators. He advised he would contact Longview Police Department as soon as the video is ready for viewing or pickup.

Possible Offense Location

After discussing this case with other officers, it was brought to my attention that one nearby hotel (Ramada Inn) has white doors that face the road (McCann Rd) as indicated by [REDACTED]. This hotel is also close enough to meet the quick time frame in which the offense took place.

Narrative						
On February 7, 2013 I, Detective Paul Hickey, was contacted by Sergeant Darin Lair in regards to this case. I was advised the victim [REDACTED], was still at Good Shepherd Medical Center. She was now in a better state to be interviewed. I responded to the location and met [REDACTED] who was still in emergency room 21. Michael (Chan) McCarty, an aunt, [REDACTED] mother, and a representative of the Women's Center of East Texas were

present. [REDACTED] was identified as Chastity Rogers. I was advised [REDACTED] was too intoxicated this morning to provide a detailed interview and give consent for a sexual assault examination.

I proceeded interview [REDACTED]. She was more coherent per her family. [REDACTED] was willing to speak to me and desired to have her family in the room at the time. She was hard at times to hear and faint when she spoke. I utilized my digital recorder to obtain her statement. [REDACTED] did not recall speaking to officers earlier this morning. I asked what she remembers from last night.

[REDACTED] recalls drinking two alcoholic drinks with Brandy in them last night while at Michael McCarty's residence, 309 Englewood Drive. She refers to Michael as [REDACTED] Chan. She does not normally drink Brandy yet does drink liquor. [REDACTED] resides in Kilgore but has stayed with Michael since Tuesday afternoon. They had two drinks last night then decided to go to Graham's Central Station. Kacey Cogburn also went with them. Cogburn lives with Michael. She is the wife of Wesley Vanmeter, who is friends and roommates with Michael.

All three rode together to Grahams. They arrived around 2300 to 2315 hours. [REDACTED] states while at the club her ex-boyfriend, Fred Spears, gave her a blue drink. She stated they dated for around a month during the later part of 2011. She placed it between October and December 2011. She has not had contact with him since then. They do not have each other's cell phone numbers. [REDACTED] advised she has run into him since they dated but nothing that was planned. She recalled seeing him at Grahams before. She stated Spears is around 23 years of age.

I asked how long they were at the club before she ran into Spears. She can not recall a time frame. When she arrived at the club she placed herself as being tipsy but not intoxicated. She did not have any alcohol while at the club except the blue drink Spears provided her. I inquired if the drink came from the bar or if it was something Spears made himself. [REDACTED] recalls the drink was in a clear glass that would come from Grahams.

Michael was in the room. I asked about a time frame. He stated that upon the three arriving at the club he began talking to some friends. [REDACTED] and Kasey walked off. He estimated they were separated for around 30-45 minutes. Since Michael was involved and recalls more details, and [REDACTED] was having problems recalling what occurred I had Michael leave the room so that I could interview him separately. I feared Michael could influence [REDACTED] statement since she was having difficulty recalling the sequence of events.

I asked [REDACTED] if she had any conversation with Spears prior to him handing her the drink. She does not recall any dialog between them. She does recall the blue drink he gave her, and him saying he will bring her to [REDACTED] Chan. Yet he did not bring her to [REDACTED] Chan, he brought her to a blue car. Then a place with a white door and carpet. He then removed her clothes and she told him to stop. I asked what he was doing. She does not remember. She breaks down and starts crying.

We go back to when she had the blue drink. I ask if she drank any of it. She does recall having some. She does not believe Spears had anything to drink. I asked what Spears was wearing. She recalls him having a green shirt, and blue jean pants. She does not remember what type of shoes he had, but remembers him smelling like beer. I asked if she recalled anything about his hands. She did remember them feeling rough. I asked if she was able to see him. If the location they were at was lite or dark. She said it was both. It was like a street that was dark with street lights.

I asked about the white door she remembers. She feels this was not at Grahams, and believes they left the location. She does not remember driving or walking anywhere. She just remembers there being a white door with carpet. She recalls him taking her clothes off, and her telling him to stop. She then remembers Kasey telling her to sit up. She does not remember why Kasey was telling her to sit up. [REDACTED] said this occurred after Spears took her clothes off. I asked how she was able to find Kasey. She recalls looking through her phone and found Kasey's picture that is attached to her phone number. This is how she was able to call Kasey, yet she did not answer. [REDACTED] becomes emotional again as she tries to recall.

I bring the conversation back to when Spears brings her the blue drink. I asked about Kasey and where she was. She remembers her and Kasey went to the restroom. She was drinking water. They came out of the restroom and they talked to somebody at a table. She does not recall who they spoke to.

I asked if she remembers how she left the club. She recalls going out the front doors with Spears. This is after

Longview Police Department**Narrative**

he gave her the drink. She just does not remember where they went. I asked about the blue car again. I asked if it was a two door or four door. She remembers it had a back seat but not sure how many doors it had. She knows it was a car and not a truck or SUV. I inquired about any emblems on the dash or inside the vehicle. She does not remember. I asked about anything inside the vehicle that stood out like something hanging from the rear view mirror, cups, food bags etc. She does not remember anything like that but recalls that it smelled weird. I asked if Spears smokes. She remembers that he smokes Newport menthol cigarettes. She does not recall any cigarettes or boxes in the vehicle. I asked what type of vehicle Spears drives. When they were together he drove a maroon Buick, but is not sure what he drives now. As to the vehicle she was in to the best of her recollection she was in the front seat.

I asked if Spears took her clothing off in the vehicle. [REDACTED] was adamant that they first went through the white door where there was carpet. I asked if she remembers driving in the car. She does not and also does not remember getting out of the vehicle. She also does not recall anyone being around. She just remembers going threw a white door and falling or laying on the carpet, then Spears taking her clothes off. She remembers telling Spears to stop and take her to [REDACTED] Chan, but he did not take her. I asked what happened once Spears takes her clothes off. She does not remember and the only pain she is experiencing is her stomach hurting. I asked when she woke up if her underwear, bra, and clothing was on. [REDACTED] advised her underwear and bra were on, but when she woke up she was wearing a hospital gown. I asked if her hair was up or down last night at the club. She stated it was down and she did not find any dirt, grass, twigs, trash etc. in her hair. I asked if she remembers if Spears was on top of her, behind her, in front of her. [REDACTED] recalls Spears being on top of her because she remembers his breath, and it smelling like beer.

She mentions that Spears told her no one would believe her. She only asked to go back to [REDACTED] Chan. I asked how she got back to [REDACTED] Chan. She does not remember. She only recalls Kasey telling her to sit up while in the parking lot of Grahams. She does not remember if she was in a vehicle or outside on the ground. All she recalls was being outside in the parking lot and what she was laying on was hard. After that she was in the hospital.

The interview was terminated in regards to questioning [REDACTED] what occurred. I answered a few questions from [REDACTED] to explain the process of how the case is investigated. I met with Nannette Parras who is a sexual assault nurse examiner for Good Shepherd Medical Center. We discussed the case and requested an exmination. Further the family believes [REDACTED] may have had a substance placed in her drink that was given to her by Spears. This was believed since [REDACTED] was intoxicated to a point they have never seen her. She was incoherent, mumbling, and unable to recall events which she has not experienced in the past. [REDACTED] had told them and the original responding officers she saw a white powder or substance on top of the blue drink. Parras will submit a vial of [REDACTED] blood with the examination kit.

I next interviewed Michael in the consulation room at the hosptial. He estimated they arrived at the club between 2300 and 2315 hours. All three walked around the complex once together to see if they knew anyone there. Michael saw somone he knew and stopped. [REDACTED] and Kasey continued walking. He estimated they stayed together for around 10 minutes. They were seperated for around 30 to 45 minutes. Michael walked around and found Kasey at a table with some friends. Kasey advised Michael that [REDACTED] was in the restroom.

Michael mentions that [REDACTED] had two alcoholic drinks at the house with Brandy. They were measured drinks with a shot glass. Michael has worked in a bar setting for years and knows how to make alcoholic drinks. [REDACTED] drank another while they were driving to the club. Michael says Kasey had gotten [REDACTED] water while at the club.

Michael advised [REDACTED] came out of the restroom and he noticed she was exteremly intoxicated. He found this odd since she drinks liquor and did not have more than her normal. [REDACTED] told them that Spears bought her a drink. She apparently had already drank it since she was not holding a glass. Michael asks her to describe the drink. [REDACTED] states it was a blue drink with white on top in a pretty glass. Michael believes it was a drink called walking with Jesus. [REDACTED] was intoxicated to the level that Michael and Kasey debated just taking her home. They decide to make another walk around the club to see everyone, use the restroom, then leave.

Michael goes his way, [REDACTED] and Kasey go another way. Kasey had stopped to talk to someone and [REDACTED] continued on. Kasey ends up meeting Michael again and they discuss that [REDACTED] is missing. Kasey goes to the

Narrative

restroom to find her and Michael walks the club to find her. He estimates this being about 15 minutes after they were all together discussing what they planned to do. At some point [REDACTED] had called Kasey but due to the volume in the bar she was unable to hear the phone ringing.

Kasey goes outside to call [REDACTED] back since the volume inside the club. Kasey told Michael no one answers the phone the first time Kasey tries calling. On the second attempt a male answers the phone. He identified himself as Junior. He advised Kasey that [REDACTED] was outside on a tailgate of some truck. Junior did not know [REDACTED] or use her name. Kasey goes back inside to find Michael. She finds him and they both go to the parking lot and find [REDACTED]

They find her laying in the bed of the truck. She is incoherent and keeps repeating, "he said he was going to take me to find [REDACTED] Chan." Michael tells her that he is there. She repeatedly says she needs to find [REDACTED] Chan. She does not recognize he is right in front of her. She says that "he" took my clothes, yet Michael tells her that she is still wearing her clothes.

Michael decides to go get the car to drive [REDACTED] home. They load her in the vehicle. Kasey decides that since it is only around 1215 hours she is going to stay. [REDACTED] tells her that he will bring [REDACTED] home and come back and get her. Michael begins driving [REDACTED] home. [REDACTED] begins talking to herself. She states she told him no and to take her to [REDACTED] Chan. He instead took me to a blue car. When [REDACTED] is referring to "him" at this point she is not identifying Spears.

[REDACTED] continues saying she told him no. Michael pulled over and stopped so he could talk to [REDACTED]. He asked her what occurred. She says he took my clothes and I told him no and stop. He put his dick in my mouth. He told me he was going to take me to [REDACTED] Chan, he told me he was going to take me to [REDACTED] Chan. He just took it. Michael asks her to clarify what he took. Michael asks if he forced her to have sex with him. She again confirms she told him to stop. Michael then turns the car around and drives her to Good Shepherd Medical Center. She is still mumbling about what occurred, yet Michael states she is having random thoughts and vocalizing pieces of them. [REDACTED] is overly sensitive to touch as the hospital staff try to help her. She flinches when they touch her. Michael says [REDACTED] still is not able to recognize that he is with her.

Michael said that once at the hospital the police were notified. This is when Officer Zapatocky responds and takes the original offense report. Due to [REDACTED] intoxication level at this point they are unable to conduct a thorough interview with her. Michael advised he has seen [REDACTED] intoxicated in the past but never to the level she was at last night. He does know how she became so intoxicated since she did not drink more than he has seen her in the past. He again repeats they were measured drinks, and just can not see how she was that intoxicated. Michael mentions she has not had Brandy before but no stronger than what she normally drinks. During our conversation Michael confirms that he never saw Spears or the drink that [REDACTED] said Spears purchased for her.

TIME FRAME

Since Michael is able to more accurately depict a time frame we establish one:

2300-2315 hours-they arrive at the club.

10 minutes-they all three walked around together.

30-45 minutes-Kasey and [REDACTED] are together walking around. [REDACTED] goes to the restroom and gets the drink from Spears. After returning from the restroom [REDACTED] is more intoxicated and sits at their table. She spoke of Spears giving her a drink. This places the time between 2340 hours and just after midnight. They spoke for a couple minutes and they decide to take [REDACTED] home. Michael estimates around 3 minutes of discussing taking her home. They all begin to walk around the club one last time. This is when [REDACTED] walks off again, and they believed she went to the restroom again. Michael said he would place it at 10 minutes that they were all separated when Kasey came up to him saying she was gone. They begin searching for her. He estimates it was 20 minutes before they found her again.

0030 hours-Michael and [REDACTED] leave the club.

0055 hours-Michael calls a family member about [REDACTED] being in the hospital. Michael said they were at the

Longview Police Department**Narrative**

hospital for around 10 minutes prior to making that call.

I asked Michael what [REDACTED] has said that occurred tonight. Michael advised [REDACTED] told him that she saw Spears, he purchased her a blue drink. She asked him to help her find Unlce Chan, yet he did not. Spears brought her to a blue car. She recalled that the carpet inside the car was brown. Once she got to the hosptial she began mentioning the carpet and white door, which did not make sense to him.

I asked if he knows Spears. Michael says he has met him but does not know him. I asked about the male subject that answered [REDACTED] cell phone, and waited for Kasey walked up. Once Michael got there the male, who identified himself as Junior, told them that his girlfriend was waiting on him and left. He told them that [REDACTED] was messed up and laying on the truck. He said he did not know what happened. Michael describes this male as a black male that is slightly taller than Michael. I asked if this male could be Spears. Michael quickly states it was not since Spears is taller and larger than this unknown male. Michael believes Kasey knows Spears also.

We go back over what [REDACTED] told Michael. I inquired as to what she said Spears made her do. [REDACTED] told him that Spears put his penis in her mouth, and that he took her clothes. Michael asked her what she said, and [REDACTED] responded he just took it and began crying. [REDACTED] advised him that Spears made her have sex and she told him to stop. We discussed if there was vaginal or anal sex involved. Michael believes they had vaginal sex. I asked how she was dressed when he found her in the back of the truck. Michael said all of her clothing was on, and appeared to be on properly, meaning her shirt or shorts on backwards. 2324

GRAHAMS

I attempted contact with employees of Grahams. The only person at the location was a contract cleaner. She did not know how to contact the manager so I left her a business card requesting she leave it in the office for the manager. She allowed me to view the inside of the complex. In walking through the front doors you enter in the front lobby where there is a counter and register area. Once you enter the main room from the counter there are bars placed around the outside of the room. There is a dance floor with partition in the center of the room. There is one door that is next to the DJ booth that leads outside to the back of the club. On the north wall there is a double door that remains locked. It leads into a storage area. None of the doors are white. They are all painted green. The restroom is on the northwest corner of the main room. Due to the size of the room and the number of people it holds, it would be difficult to see across the room to see if someone is leaving.

I drove around Grahams and looked for businesses that had white doors. I did not find any in the immediate area yet did find a small apartment complex behind Grahams that had white front doors. It is not known if the apartments have carpeting or wooden floors. I did not find an office for the complex on site.

I was contacted by Chase Cavitt who is with corporate loss prevention for Grahams. Cavitt works in Houston yet the camera system and card swipes are online for him to check them. Cavitt can be reached at (713)503-8803. I provided the names of the involved parties and a description of what they were wearing. Cavitt advised he will research the video to see what time the involved parties entered and left the location. Cavitt stated there are cameras at the doors and inside the main room.

I was contacted by Cavitt a short time later. He emailed me two photographs. The first is [REDACTED] Kasey, and Michael entering the club at 23:14:51 hours. Michael was still wearing the same outfit at the hosptial that he was seen wearing in the photograph. The next photograph is all three at the front counter. This is at 23:15:54 hours. The photograph of them appears different. This is due to the camera's being infrared. This causes colors to appear different. Cavitt was needing me to confirm if this is the involved parties. I confirmed that to be [REDACTED] Michael, and Kasey.

02/08/2013

I was contacted by Cavitt. He had watched the video and found [REDACTED] leaving the club out the front doors at 1212 hours by herself. He also did not show Spears to have swiped his driver's license or state identification card at the club since December, 2012.

Narrative

I attempted contact with Spears at two different locations. The first was Treehouse Apartments number 205. I learned he did not reside there. The next was 5515 West Loop 281 apartment 2101. This is his mother, Merwin Spears', apartment. He was not there yet Merwin was. From hereinafter when referring to Spears it is identifying Fred Spears. In talking to Merwin she was aware why I was there. Spears had told her that he received a call from a couple people telling him that Michael McCarty was looking for him. Spears was told that [REDACTED] was claiming he sexually assaulted her two years ago and she just told everyone. Merwin explained that Spears heard this information then told her. I provided a contact number for Spears to call me.

After returning to the office I was contacted by Spears. He received the message from his mother. Spears has heard from several people that he supposedly sexually assaulted [REDACTED] a while ago and she made a report. I explained that it was last Wednesday. Spears remembers that day saying he went home. He was not with anyone other than his mother since he lives with her. He believes one of his co-workers, Brandon Ford, left work and went to Grahams. They work at Southland Feed together. I asked what clothing they wear for work. Spears advised green shirts. I advised Spears it would be best we sit down and discuss the matter in person so he could give a statement. He is more than willing to do so since he is on probation and does not want to have any issues. We agreed to meet next week.

I was also provided a sealed envelope from Cavitt. Upon opening it I removed a flashdrive.

I am always concerned when I see a location that has been inspected repeatedly by our agents. I am sure that at times we are perfectly justified in inspecting a location multiple times. Like when they are on the priority list and they require our close scrutiny. However, when I see locations that have been inspected 20-40 times in a two year period, it raises questions and concerns.

Please review the attached list, and research any anomalies in your respective regions. If I were you, I'd concern myself with the locations that have been inspected 10 or more times, while never being on our priority list. As you know, it has been about a year since we decided to remove priority locations from the list after 6 months. So take that into consideration when you look at this list, and whether or not the location was on the priority list when these multiple inspections occurred.

I also expect you to determine if it was simply a situation where the location in question is where the agents like to fuel up their patrol units, or where they eat dinner, if this is the case, I can understand, but not condone (you need to put a stop to this). Remind your folks that an inspection will require the 6 step process the majority of the time.

You need to determine if this information points to an agent that is merely showing inspections without actually conducting them. Does that agent's activity show that most of his/her inspections are "prohibited hours" or "exterior surveillance" where they do not have to speak to anyone, but still get to show the inspection. If you need assistance running these types of reports, (because they're only in the COGNOS system) get with Elizabeth Zamora or Roy Hale, they can show you how to run the reports.

Lastly, I expect you to have some poignant conversations with your supervisors (lieutenant and sergeants) and remind them this is why we audit DARs for mileage and inspections.

I want these anomalies researched and justified (or recommendations on what actions to proceed with, if they cannot be justified), by this Friday at 5pm.

Subject: CLPs Inspected 5 or More Time by Enforcement in Past 2 Years (10/16/15 - 10/15/17)

Chief, the file contains two lists on separate tabs. In one, the counts include any inspections made while the businesses were priority locations. In the second, inspections made while the businesses were priority locations are excluded from the inspection counts. The second list is, of course, much shorter than the first.

I did manual finds in a Cognos adhoc and compared them with the results derived from ENF1060 and ENF1059.

The only differences I see are caused by rounding (I rounded Days open to the nearest whole day in my ad hoc. The reports consider fractional days. Consequently if the difference between Status (Closed) Date and Received date is fraction over sixty days, the reports would consider the investigation as not closed within 60 days, where as my adhoc would consider then closed within sixty days so long as the value was under 60.5 days.)

Bottom-line: The two reports tested are accurate, at least so far as calculating the number of complaints closed, the number of complaints closed in 60 days, average days open, and % closed in 60 days.

Subject: Complaints Going Over 60 Days

Roy,

We have been scratching our heads trying to figure out why we were showing complaints going over 60 days despite our tracking efforts showing that they haven't.

I believe that when we did the reorganization of the regions, we must have changed the logic we use to track the complaints for each region and it appears that the SIU complaints and headquarter complaints for locations within Region 2 are showing up under our regional stats and likely do the same for other regions.

Can you look into this and see if we can get these corrected as it makes it look like we are dragging our feet on working our complaints in a timely manner.

Thanks,

Victor Kuykendoll, Major

Subject: Arlington Region Complaints Closed FY16 thru 021616 by Agent.xlsx
Date: Wednesday, February 17, 2016 8:55:00 AM
Attachments: [Arlington Region Complaints Closed FY16 thru 021616 by Agent.xlsx](#)

Here are the closure rates for complaints by agents for this fiscal year.

Highlighted in yellow are complaints that were => 60 days

Highlighted in orange are complaints that were =>75 days

Highlighted in red are complaints that were =>100 days

Please look over these for agents assigned to your sectors and notice trends by certain agents. Some of these may need to be reviewed to see if they were properly backdated when closed or if they were reopened and closed with activity that caused them to appear as if they had been left open for an excessive amount of time. Perhaps by reviewing them, some can be corrected which would better our percentage closure rate. We also need to look at how we will handle reopening complaints previously closed in the future when we receive new or additional information causing us to revisit an investigation.

Thanks,

Victor K.
